**SMALLBORE RIFLE PROGRAM &
ENTRY INFORMATION**

A WORD FROM OUR COMPETITIVE SHOOTING DIVISION DIRECTOR

Dear National Championship Competitor,

On behalf of the National Rifle Association, our volunteers and our sponsors, it gives me great pleasure to welcome you to the 2015 NRA National Smallbore Championships.

We are excited about this year's championships and we have made improvements based on your suggestions in 2014.

This year will be the second time that all four championships are united in once place; Metric 3-Position, Metric Prone, Conventional 3-Position, and Conventional Prone. As a result, we will again provide an overall aggregate award, the Director's Award, for the highest individual score over all four events.

The NRA Championship staff has once again worked tirelessly with community leaders, supporters and businesses to provide you with a superb experience while in Indiana. The Bristol and Elkhart communities are excited and fully supportive of these events and also welcome you to the area. NRA staff is currently continuing their work with community businesses to arrange reduced housing fees, special pricing at restaurants, reduced campground fees, and special events to be held for competitors. We are working hard to provide a championship series that is much improved over last year.

There have been some changes to last year's program so I hope that you will read this program carefully so that you are up to date on any new information.

We believe that you will enjoy your experience in Indiana and will find the range facility and surrounding area to your liking and enjoyment.

Good Shooting.

Dennis L. Willing

In this regard, the Financial Services Division conducts an ongoing review of all NRA-sponsored competitions, including but not limited to the National Matches at Camp Perry, the NRA Action Pistol Championship (Bianchi Cup), the Smallbore Conventional and Metric Championships, and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in a tax year in cash and/or merchandise prizes (excluding plaques and trophies). Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. At the end of the year, W-9s are reviewed and an IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600. The W-9 forms for competitors whose total winnings do not exceed \$599 are securely destroyed. Please feel free to contact Portia Padilla at 703-267-1652 if you have any questions in regard to this matter. Thank you for your corporation.

Authorized Assistance: Adaptive competitors may have assistance in moving equipment to and from the firing line. In the case of a team, the captain or coach or NRA staff may assist.

**NRA National
Smallbore Rifle
Metric 3-Position
Championship**

July 10 - 11

CHAMPIONSHIP ORGANIZATION

The 2015 NRA National Smallbore Rifle Metric 3-Position Championship is organized into individually fired matches that culminate into two sub-aggregates: the Metric 3-Position Metallic Sight Aggregate (Match 110) and the Metric 3-Position Any Sight Aggregate (Match 111). These sub-aggregate matches are combined into Match 100 to determine the Metric 3-Position Champions. Team matches are paper matches. (See Championship Map, page 6.)

AWARDS CATEGORIES

A competitor may win an award in each aggregate and category, for which awards are provided. Awards will be divided into three groups: place winners, category winners, and class winners.

Aggregate Winners are limited to the top three scoring individuals in an aggregate (Matches 110, 111, and 100).

Category Winners will be awarded for the top three places in each category provided there are adequate entries (one award for each five competitors). Category Awards are only provided in the Aggregate Matches.

All junior or collegiate competitors serving in the active duty military must compete in the Service category and will not be eligible for junior awards.

HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These

endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, thus providing a source of annual income in perpetuity. In the case of the Competitive shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your give to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.
