HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund’s earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund’s growth, thus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

Important Notice

All competitors are responsible to be knowledgeable of all rules, regulations and contents of this program (NRA Rule 18.15). Everyone involved in these National Matches must understand that in accordance with NRA Rule 11.1 and 11.4, the NRA Match and Range Directors have complete authority to make any last minute changes they deem necessary in order to ensure that the competitions are run smoothly and safely. This may include changes in relay and squadding schedules and cancellations of firing altogether. Any such changes will be relayed to the competitors via announcements and/or Match Director Bulletins.

Awards Bulletin

Preliminary Awards Bulletins will be posted in Building 950. An Official Copy of the final results will be available online after the conclusion of the matches at www.nrahq.org/compete/champ3.asp.

Awards Office Location

The NRA Awards Office is located in Building 950.

Awards Office Procedures

Competitors should pick up their awards as they become available, when posted as final results on the bulletin board. Team awards will now be given to individual competitors and not the Team Captain.

NO AWARDS WILL BE MAILED, INCLUDING AWARDS POINTS, MEDALS, VISA GIFT CARDS, AND/OR DONATED MERCHANDISE. ALL AWARDS MUST BE PICKED UP FROM THE AWARDS OFFICE BEFORE DEPARTING CAMP PERRY. AWARDS NOT CLAIMED BY AUGUST 9, 2016 WILL BECOME PROPERTY OF THE NRA.

Monetary Awards

The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRA-sponsored competitions, including but not limited to the National Matches at Camp Perry, the NRA Action Pistol Championship (Bianchi Cup), the Smallbore Metric Championship, the Conventional Smallbore Rifle Championship, and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in cash and/or

merchandise prizes (excluding plaques and trophies) in all the above events combined. Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. At the end of the year, W-9's are reviewed and an IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600. The W-9 forms for competitors whose total winnings do not exceed \$599 are securely destroyed. Please feel free to contact Portia Padilla at 703-267-1652 if you have any questions in regard to this matter. Thank you for your cooperation.

In order to comply with the Internal Revenue Service requirement above, competitors will be asked to complete a W-9 form but will NOT be forced to do so. However, the Awards Office does track who has or has not completed a W-9 Form and no one will be allowed to claim any award until a completed W-9 form is on file. The IRS requirement above applies to competitors of any age. Social Security numbers will be verified with governmental files.

Firearms Awards Policy

Effective immediately, it is the policy of the National Matches not to award firearms to junior competitors that are not of legal age to receive the firearm directly from the FFL holder. Firearms will also no longer be awarded to junior teams where the Team Captain is not of legal age to accept the firearm directly from the FFL holder.

Competitor Packets

NOTE: All competitors must have gone thru Welcome Center/ In-processing before receiving their competitor packet. Proof of in-processing will be required before packet is issued.

1. A packet containing the necessary identification cards, squadding tickets, score cards, and other information will be prepared for registered competitors.
2. A 2016 year tab will be included in all NRA packets. Any competitor who is a first time competitor and wishes to have a National Matches brassard should request one when the competitor packet is picked up. Additional brassards may be purchased at \$10.00 each.
3. Competitor packets will be available for pickup at the NRA Entry Office, Building 950, beginning at the time and date stated below: (No packets will be distributed before the time and date specified). Each packet must be picked up by the person named on it; except for teams that have made prior

arrangements with the Entry Office. Proof of in-processing, a wrist band, for each team member must be provided before packets will be issued.

NRA Long Range: 9 a.m., Thursday, August 4

Adult Sponsors, Junior Entries

All Juniors (Sub-junior and Inter-mediate junior competitors) 17 years and under must be accompanied by an adult sponsor. An adult sponsor is defined as a person 21 years of age or older. The adult sponsor is responsible for the behavior and welfare of those individuals sponsored and must be housed with the sponsored juniors if Camp Perry lodging is used. No housing will be made available to individuals younger than 18 years of age.

Junior Competitor Eligibility

Individuals may compete as juniors in either Individual or Team competition at the NRA Championships, provided they meet the following criteria:

1. Must comply with Rule 2.3, 2.3.1, or 2.3.2.
2. Where there is only one junior team in a class/category, they will be combined in accordance with the National Championship Program until a minimum two teams are reached in an award category. If there are no other junior teams entered, they will be combined with adult teams in the appropriate class/category. The combining orders are listed in the program.
3. Junior Team Entry Discounts: In order to qualify for Team Entry discounts, junior teams must show evidence (results bulletins) of attaining "High Junior Team" in a Regional, Conventional Sectional, or State Championship. Competitions must have included at least two Junior teams in the match. Upon presentation of the appropriate results bulletin, a discount for team entry will be given.
4. Junior Teams that have placed as "High Junior" in Regional or State Championships may have their Camp Perry team fees reduced as follows:

- One Placement = 25% reduction of team fees

- Two Placements = 50% reduction of team fees;

A tournament results bulletin must be presented as proof.

If we do not receive a written request for a refund prior to October 1, 2016, no refund will be granted.

Special Note

CMP and NRA matches are separate entries. Requests for cancellation of CMP matches must be directed to the CMP office. In the case of those individuals firing both matches, separate requests will have to be made to both the NRA and CMP.

Match Cancellation by Match Director

If the Match Director cancels any individual match(s), entry fees will not be refunded. However, entry fees for canceled team matches will be refunded to Team Captains only, by mail, after the National Matches are completed. The team score card for the cancelled team match must be returned to the Stat Office before a refund can be made. In the event that a match is canceled, the Match Director may reschedule that match. It is the competitor's responsibility to bring ample ammunition should this happen.

from Camp Perry with no refund of fees:

1. When operating a motor vehicle on Camp Perry, observe all posted speed limits, parking restrictions, and road signs.

2. Because of fire hazards in the competitor housing area, the following actions are prohibited:

- Smoking in bed and cooking of any kind.

3. The following actions involving firearms safety are prohibited:

3. In Team Matches, each team must supply a scorer for another team.

Ties

1. A shoot-off will be conducted to determine the winner of a match where an unbreakable tie exists. In the case of unbreakable ties for 2nd and 3rd place, competitors concerned will both be awarded the higher prize, and be listed in competitor number sequence in the bulletin.
2. Ties for class/category awards in matches will be broken in accordance with NRA Rules.

Use of Scoring Devices

See NRA Pistol Rule 14.3.1 - Competitors acting as scorers may use standard NRA overlays.

Score Cards for Pistol

1. Score cards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of score cards is enclosed. Each competitor must make certain that the correct score cards are used for each day's firing.
2. DO NOT cross out match numbers and substitute others. NRA championship score cards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect score cards used, as the booklet is set up in the order in which the matches are fired.
3. All score cards that are used in the matches and all team cards, must be labeled with self adhesive labels supplied in each competitor's packet. Make certain that you place your labels on your score cards before you go to the range. Unidentifiable scores will not be used. Do not use felt-tip pens to fill out score cards.
