# HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, thus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

### NEW for 2018

- New 2-Gun Championships
- New awards and awards schedule

# GENERAL REGULATIONS

## RULES

Current NRA Silhouette rules will apply in all championships, except as augmented herein, or as modified by the Match Director's Bulletins. It is the competitor's responsibility to be familiar with the rules, this program, and any Match Director's Bulletins issued.

## ELIGIBILITY

Participation in these championships is open to all citizens and non-citizens whom are members of their respective national shooting federations or associations.

## INDIVIDUAL ENTRY INFORMATION

Advance online registration is required.

## ENTRIES OPEN

April 3, 2018

## ENTRIES CLOSE

Online entries must be made three days prior to the closing date for each championship. This includes paper entries. Postmarks will not be considered. Entries arriving after the closing date will be considered post entries.

## POST ENTRIES

Post entries will be accepted up to the time the first relay is called to the line for the first series of shots. Post entries will be accepted to fill available vacancies only. Additional relays will not be added to accommodate post entries.

## ENTRY FEES

Entry fees include individual entry fees, NRA registration fees and range-use fees for the entire championship. Fees will be returned in full if cancellation is received before the Championship closing date. Cancellations after the closing date will be charged a \$5.00 handling fee. Requests for refunds must be in writing.

**All cancellations must be sent to [silhouette@nrahq.org](mailto:silhouette@nrahq.org) prior to the start of the chosen championship. If an email is not received, a refund will not be given.**

## For entry fees or purchases

Make checks payable to: National Rifle Association (or NRA).  
Memo line should be noted: entry fees or sales.

## JUNIOR ENTRY COUPONS

A person entering the National Championships as a Junior, Intermediate Junior or Sub-Junior with a junior entry coupon from an NRA Regional or State Championship must compete in the category appropriate to his/her current age. Junior competitors who wish to enter, as an adult must pay the full adult entry fee. A junior coupon may be used as a credit for one-half of the adult entry fee. Take your Junior Entry Coupon to the Stat Office to request credit.

## TEAM ENTRY

There will be a team match for each championship, open to three-person teams representing NRA-affiliated Clubs eligible under Rule 2.11 and NRA-affiliated State Associations eligible under Rule 2.12 of the NRA Silhouette Rules. Other associations composed of more than one club may enter teams. Team entries will ONLY be accepted on the range at each championship and must be made before any team member in that championship fires the first shot in an individual match. State Associations or Clubs may enter more than one team, but no competitor may fire on more than one team in any championship. Team members will be required to present their State Association or Club membership cards. Teams will be classified according to Rule 19.12 of the NRA Silhouette Rules. Team Entry cards will be available at Registration.

## TYPE OF CHAMPIONSHIPS

These are Open Championships based on classification only.

## CLASSIFICATIONS

The NRA Silhouette classification system will be used. Individuals who do not have a classification in the Championship in which they plan to compete, will fire in the Master Class. Classification Score Record Booklets **must** be presented when registering at the range. All books must show the last two highest scores from their 2018 match at Registration.

Competitors who are U.S. citizens and do not have a 2018 NRA Silhouette Classification Score Record Booklet for the event(s) in which they plan to compete will be required to purchase a booklet for \$13.00.

## FOREIGN COMPETITOR CLASSIFICATIONS

Non-U.S. citizens are not required to possess an NRA Classification Score Record Booklet, but must have score information that can be converted to the current NRA classification scores so such competitors can compete in the correct class. Non-U.S. citizens who do not have scores posted on the appropriate NRA classification score record after January 1, 2018 shall submit a letter certified correct by their home club president listing at least the high 3 scores fired in open competition (30- or 40-shot matches) during the preceding 12 months. These scores, if 30 shot matches, will be equated to 40-shot scores, and the two highest scores will be used to establish classification at these championships. All others will shoot in the Master Class.

## RECLASSIFICATION DURING A CHAMPIONSHIP

In accordance with Rule 19.17 of the NRA Silhouette Rules, if a competitor fires a score two or more classes above his current class in any of the fired matches comprising the Championship Aggregate or the registered warm-up match, he or she will be reclassified to one class below the class in which that high score falls for that fired match, any subsequent fired matches, and for the Championship Aggregate. The competitor will retain any awards received in his or her previous lower classification.

## SQUADDING

These are squadded championships. Persons firing in concurrent championships will be squadded to allow sufficient preparation time between guns. Target assignments will be made by lot for the first match. For subsequent matches, competitors will be shifted according to formula, both for relay and starting position. Competitors will not change relays or target assignment without approval from the Statistical Office. All championships will be squadded so that all competitors fire on one animal before moving to their next animal. **Note: pre-registration is a requirement for persons firing concurrent championships.**

## SPECIAL SQUADDING REQUESTS

Requests for special squadding of competitors sharing equipment, etc., will be accommodated if possible, on a first come, first served basis. These requests must be made in writing, and entries for all competitors involved must be included with the request. Special squadding requests cannot be considered for post entries.

## CERTIFICATION OF ARMS AND EQUIPMENT

Rifles will be weighed and certified for configuration before the championship. Non-certified firearms and equipment will not be allowed on the firing line. All rifles and equipment requiring certification may be re-inspected at random by the Official Protest Committee at any time. An ECI must be in the firearm before presenting it for inspection.

## EMPTY CHAMBER INDICATOR (ECI)

ECIs will be required at all Championships.

## EYE AND EAR PROTECTION

NRA Whittington Center requires eye and ear protection for all persons on the firing line. At all other events, it is strongly suggested all persons wear eye and ear protection also.

If you are unable to shoot with eye and/or ear protection, you will not be allowed to compete in the National Championships conducted at NRAWC. At all other locations, if the club requires eye and ear protection, they must be used. Should a person using shooting glasses, with a hole cut in the lens or lacks a lens completely while on the firing line, they will be considered as not wearing eye protection.

## SAFETY

All rules for safety will be strictly enforced. Failure to conform will be basis for disqualification.

**Before bringing firearms to the table for inspection, all firearms must contain ECIs, aka OBIs.**

- (a) There will be absolutely no handling of firearms while target setting is in progress. Smallbore Rifle, High Power Rifle, and Lever Action Rifle competitors will be required to step off the firing line. Black Powder Cartridge Rifle/Scope competitors will be required to bench or box their firearms with the actions open. Any cleaning of black powder cartridge rifles on the firing line must be done during the 30 second ready period or during the sighting/record shot period.

(b) Rifle or pistol actions will be open at all times except on the firing line after the command "READY" has been given. At the command "CEASE FIRE," all firearms will be opened immediately, unloaded and placed on stands, (except after a stage when opened firearms are removed from the firing line.) ECIs will be inserted in the action of all firearms after the command "CEASE FIRE" has been given. They will remain in place, both on and off the firing line and will not be removed until the command "READY" is given or the firearm is being cleaned.

(c) Dry firing or aiming firearms behind the firing line is prohibited. Firing line commands must be observed by users in the dry firing area.

(d) When not on the firing line, firearms will be placed in racks, in cases, or other safe places.

(e) A shot fired before "READY" will result in disqualification for the day's match.

(f) The Match Director or the Official Protest Committee has the authority to ban any competitor, firearm or ammunition at any time for reasons of safety.

(g) Possession or consumption of any alcohol, narcotic or controlled substance, either on the range or in the spectator or public areas adjacent to the range while the range is in use, is prohibited. Disorderly conduct or intoxication is not permitted on the range or on any adjacent range property. Violators of this regulation will be subject to immediate disqualification from these Championships with no return of entry fees.

(h) As a courtesy to other competitors and staff, smoking and vaping on the range and inside the buildings is prohibited. The only exception is in the parking lot.

(i) Each Championship location requires that all competitors must wear eye and ear protection while using the ranges. Everyone in the immediate vicinity of the range complex is also urged to wear eye and ear protection.

## EXCESSIVE WIND

If excessive wind conditions exist, shooting may continue on gongs in groups of 5 shots as long as conditions exist. Gongs must be the same size and shape as the target required for the distance being shot at.

## SCOREKEEPING

Scorekeepers will not be provided. All shooters are responsible for scorekeeping duties during the match. As a reminder, while acting as a scorekeeper, you are an Official of the match. Any cheating that's found could lead to disqualification from the match.

Competitors are required to examine scorecards after each five-shot series and to sign cards before leaving the firing line. Any scoring differences must be resolved immediately after the five-shot series involved and before the targets are reset. If a scorecard is not validated, the recorded score will stand and no changes will be made.

## TIES

For information on the decision of ties, please refer to each particular championship section of the program.

## PROTESTS

A competitor may make a formal protest in accordance with Section 16 of the NRA Silhouette Rules. There will be a \$10.00 protest fee, which will be returned to the competitor if his or her protest is upheld.

## OFFICIAL NRA NATIONAL CHAMPIONSHIP PROTEST COMMITTEE

A five-person Official Protest Committee comprised of competitors from various locations around the United States will be appointed by the Match Director and will function in accordance with Sections 11 and 20, of the NRA Silhouette Rules. However, decisions rendered by the National Championship Protest Committee during an NRA National Championship shall not contravene prior interpretation of the NRA Rules and/or precedents established by the NRA National Protest Committee.

## LONG RUN RECORD ATTEMPTS

In accordance with Rule 9.7 of the NRA Silhouette Rules, competitors at the High Power Rifle and Black Powder Cartridge Rifle/BPCRS Silhouette Championships only who fire a perfect score in the turkey and ram stage HPR/HPHR, chicken stage BPCR/BPCRS will be permitted to continue to fire five-shot strings until missing, either at the conclusion of the stage or at the conclusion of all firing for the day's match, at the competitor's option. Due to the total time of firing in some Championships, it may be necessary to restrict Long Run firing to the end of the day's match. See Match Director's Bulletins on this subject. At all other National Championships, such Long Run Record attempts will be made at the conclusion of that day's match. In all Championships where at least 30 minutes have passed since the completion of the competitor's perfect stage, the competitor will be authorized one sighter shot, (for BPCR a two minute period is allowed in which any number of shots may be taken) which may be taken and will not count toward the Long Run Record attempt.

## 5, 10 and 15 IN-A-ROW PINS

The NRA will provide 5, 10 and 15 in-a-row pins for all National Silhouette Championships. Pins will be distributed as follows:

### Smallbore Rifle / Smallbore Hunting Rifle

| B .....                    | 5, 10 & 15 pins   |
| All Classes Chickens ..... | 5, 10 & 15 pins   |

To receive a 5, 10 or 15 in-a-row pin in a match where the total number of shots is 15 or 20, the consecutive hits must be continuous (example: 15 in-a-row in a 20 shot match must be either the first 15 or the last 15 shots).

## GRAND SLAM CLUB

To receive credit for 10 straight, the 10 shots must be continuous (Example: The first, middle, or last 10 shots in a 20 shot match).

## PROPER ATTIRE

In keeping with the tradition established by NRA in shooting events, and recognizing the publicity the National Championships attract, it is important to promote an acceptable image for competitive shooting. Attire worn during all phases of the championships should be in good taste and appropriate to such a prestigious sporting event. Articles of clothing with controversial or offensive slogans/illustrations are strongly discouraged.

## NCAA COMPETITORS, PLEASE NOTE

In action taken by the NCAA on April 25, 2002, the Division I Board of Directors approved a change to the NCAA Bylaws that permits an individual, prior to collegiate enrollment, to accept prize money (to include NRA Award Points) based on place finish in an event without jeopardizing intercollegiate eligibility, as long as the prize money does not exceed actual and necessary expenses for that event. Any questions should be directed to the NCAA Membership Services staff at (317) 917-6222.

VENDORS

Vendors will be allowed to display and sell their merchandise at any NRA Silhouette Championship. There will be a \$30.00 charge per day for such activity at the NRA Whittington Center. For more information on the NRA Whittington Center charges and availability, call (575) 445-3615.

- National Black Powder Cartridge 2-Gun Champion (Aggregate of Black Powder Cartridge Rifle and Black Powder Cartridge Rifle Scope.)

## TEAM MATCHES

Team matches are "paper" matches, with scores taken from specific matches of each discipline. See details under each discipline. Teams will consist of three members. Obtain an entry card from the Stat Office and upon completion, return it with the corresponding fee prior to the first shot of that discipline.

### Team Awards

Competitors on the first place team will be awarded a crystal trophy. Provided there are sufficient teams entered, Second place, competitors will each receive a crystal trophy and third place winners will receive Silhouette Medals.

## NOTE TO NON-U.S. CITIZENS

Non-U.S. citizens are not eligible to receive any trophy firearms offered as awards at any NRA National Silhouette Championship. The U.S. National Championship may be won by citizens of any country, except by those whose countries restrict participation in their national championship to their own citizens.

## REGISTRATION

Registration and certification of firearms will start at 9:00 AM, Saturday, July 14, at the Smallbore Range. Upon presentation of their Classification Score Record Booklets, competitors will receive their Smallbore Rifle packets containing scorecards and other Championship material.

## ARMS ALLOWED

All rifles in the Smallbore Rifle Silhouette Championship will conform to Rule 3.2 of the NRA Silhouette Rifle Rules. All rifles in the Smallbore Hunting Rifle Silhouette Championship will conform to Rule 3.2.1 of the NRA Silhouette Rifle Rules. **(The same rifle must be used throughout a match except in cases of malfunctions not readily correctable.)**

Competitors using semi-automatic smallbore rifles shall have a case deflector installed during firing. The construction of the case deflectors must not be configured in a fashion that would aid the shooter's position or inhibit rifle certification.

## AMMUNITION ALLOWED

Factory loaded .22-caliber short, long, or long rifle rimfire cartridge. Hot loads, such as "Stingers" are not permitted. In accordance with Rule 10.7 of the NRA Rules, only five (5) rounds of ammunition will be placed on the shooting stand for each series and may be either loose or loaded into one or more detachable magazines.

## TARGET COLOR

Targets for the Smallbore Rifle and Smallbore Hunting Rifle Silhouette Championships will be painted white.

## FIRING LINE

The firing line is covered.

## COMPETITORS' MEETING AND AWARDS CEREMONY

There will be a competitors' meeting on Tuesday, July 17, upon conclusion of dinner and awards ceremony. The meeting will be held at the Coors Building and will provide opportunities to discuss competition programs and rules with members of the NRA Silhouette Committee. All competitors are invited to attend. Dinner is provided at no cost.

## PRACTICE

During the Championship, the range will be open for practice from 8:00 AM until one-half hour before the match and after the match until dark. Shooters will be expected to set their own targets during practice hours.

## TIES AND SHOOT-OFFS

All shoot-offs will be conducted in accordance with Section 15 of the NRA Silhouette Rule Book. **If there is not sufficient time to conduct shoot-offs in a shoulder-to-shoulder fashion, they will be conducted in accordance with this program.** Shoot-offs in the Individual matches of the Smallbore Rifle and Smallbore Hunting Rifle Championships will be for the Open Winner only. All other class and Special Category ties will be broken by reverse animal count. The reverse animal count used will be Turkeys — Rams — Chickens — Pigs. All unbreakable ties will be decided by shoot-offs. All ties in the Championship Aggregates — Individual and Team — will be broken by shoot-offs. Shoot-offs for the match winners **only** will be a five-shot string.

If there are ties for Open or Special Category awards involving competitors from different classes that require shoot-offs, all of the competitors involved in the shoot-off will fire at the same time. If there are two or more competitors from the same class, the shoot-off will also determine the final standing for class awards. Ties in team matches will be broken by shoot-offs, with all team members firing.

For any matches in the morning that require shoot-offs, those will be conducted at noon-time, prior to the 2<sup>nd</sup> event.

## AWARDS

Awards will be given provided there are 5 or more competitors for First place, 10 for Second place, and 15 for Third place for a category, class, or place awards, or limited where noted in the program.

## REGISTRATION

Registration and certification of firearms will start at 9:00 AM, Wednesday, July 18, at the High Power Range. Upon presentation of their Classification Score Record Booklets, competitors will receive packets containing scorecards and other Championship material. Classifications Books MUST show last two scores from previous year. ECIs must be inserted when approaching the Registration and Inspection tables.

## ARMS ALLOWED

All rifles in the High Power Rifle Silhouette Championship will conform to Rule 3.1 of the NRA Silhouette Rifle Rules. All rifles in the High Power Hunting Rifle Silhouette Championship will conform to Rule 3.1.1 of the NRA Silhouette Rifle Rules. **(The same rifle must be used throughout a match except in cases of malfunctions not readily correctable.)**

## AMMUNITION ALLOWED

Any safe sporting type ammunition, 6mm or larger caliber, which is not damaging to the targets may be used. Magnums, armor piercing, tracer and incendiary ammunitions are prohibited. The Match Director may prohibit the use of ammunition, which proves damaging to the targets. In accordance with Rule 10.7 of the NRA Rules, only five (5) rounds of loose ammunition will be placed on the shooting stand for each series.

## TARGET DAMAGE

Section 3 of the NRA Silhouette Rifle Rules states that: "loads that damage targets may be disapproved by the Chief Range Officer, Match Director, or Jury." With the increased use of the 6mm calibers and subsequent damage of some targets at past Championships, the target setters will be especially watchful to ensure that target damage does not occur during the Championship.

## TARGET COLOR

Targets for the High Power Rifle and High Power Hunting Rifle Silhouette Championships will be painted black.

## FIRING LINE

The firing line is covered.

## COMPETITORS' MEETING

There will be a competitors' meeting on Tuesday, July 17, at the conclusion of the Smallbore awards ceremony. The meeting will be held on the range and will provide opportunities to discuss competition programs and rules with members of the NRA Silhouette Committee. All competitors are invited to attend. Dinner is provided at no cost.

Registration will continue at the Hunter's Pistol Range starting July 26. Upon presentation of their Classification Score Record Booklets, competitors will receive packets containing scorecards and other Championship material. The last two highest scores from the previous year MUST be entered into your Classification books.

## ARMS ALLOWED

All rifles in the Lever Action Silhouette Rifle Championship will conform to Rule 3.1.3 of the NRA Silhouette Rifle Rules; listed below is a copy of the Lever Action Silhouette Rifle Rules.

**(The same rifle must be used throughout a match except in cases of malfunctions not readily correctable.)**

### Rule 3.1.3 Lever Action Silhouette Rifle

Listed below are the three classes of Lever Action Silhouette Rifles. The below listed rules (a–f) apply to all classes of Lever Action Silhouette Rifles. (The intent of these rules is to establish a match for common hunting carbines and other lever action rifles. The match is focused toward shooters who enjoy shooting hunting arms and do not want to make the investment required of other specialized types of shooting competitions.

**(a)** Rear sights may be open, receiver or tang sights, mounted as originally intended. No extended mounts are permitted. The front sight must be a post or bead or a fixed, non-magnified round aperture. A front sight anti-glare tube, which may be no longer than 1 1/8" to include any attachments and no larger than a 3/4" outside diameter, may be used.

Fiber optic material may be used in or on the post or bead and may not be longer than its support blade and not to exceed 1 1/8" in length. In an anti-glare tube the fiber optic material may

not be any longer than the tube or extend outside the tube. The fiber optic sights do not need to be commercially manufactured.

**(b)** Barrels must be original or may be relined. Original barrels rebored to a larger caliber are allowed. Any safe trigger is allowed. Stocks must be of original configuration. Recoil pads, replacement butt plates, and removable cheek pieces are allowed.

**(c)** Ammunition may be loaded with smokeless or black powder, using jacketed or cast bullets, with or without gas checks. All bullets must be round or flat nosed suitable for tubular magazine use. Any cartridge causing target damage or deemed unsafe may be banned.

**(d)** Firing period will include a 30 second ready (loading) period, and 2 minutes for 5 shots. Ammunition must be loaded through the tubular magazine. Ammunition may not be loaded directly into the chamber.

**(e)** Binoculars may be used for spotting. Spotting scopes or stands may not be used. Clothing that adds stability to the shooting position is not allowed. Rule 6.9, concerning wind flags will not apply. Personal wind indicating devices are not allowed in the vicinity of the competitors.

**(f)** Classification:

Master.....35-40  
AAA.....29-34  
AA.....22-28  
A.....15-21  
B.....0-14

### 1. Lever Action Rifle Silhouette

**(a)** Any lever action center fire rifle .25 caliber or larger with a tubular magazine of original manufacturer or replica thereof. A rimmed case loaded with a round or flat nosed bullet must be used. Exception: .30 Remington and .35 Remington are allowed.

**(b)** Targets: Long Range Pistol, at distances of 50–100–150–200 meters.

### 2. Pistol Cartridge Lever Action Rifle Silhouette

**(a)** Any lever action rifle with a tubular magazine. A rimmed pistol cartridge loaded with a round or flat nosed bullet must be used, i.e., .25-20, .32-20, .38s, .357 Magnum, .38-40, .44s, .44-40, .45 Colt, .45 Long Colt, .22 Magnum, and .22 Long Rifle.

**(b)** Targets: Hunter's Pistol, at distances of 40-50-75-100 meters.

### 3. Smallbore Lever Action Rifle Silhouette

**(a)** Any lever action, pump, or semi-auto rimfire rifle with a tubular magazine. Only .22 long rifle ammunition is allowed. Hyper velocity ammunition is prohibited.

**(b)** Targets: Smallbore Hunter's Pistol, at distances of 40–50–75–100 meters.

## Some other items pertaining to Lever Action Silhouette Rifles are listed below:

- (a) If using an interchangeable hooded front sight, the post may be placed in a vertical position so as to go from the bottom of the sight to center or from the top of the sight to center.
- (b) Corrective lenses are allowed only in the rear sight.
- (c) P.A.S.T.-type recoil shields are permitted in accordance with Rule 3.12(d).

### 4.2 Target Setting (Lever Action Only)

To ensure that full-size rams will be knocked down with reasonable loads, they should be set so that the center of gravity works through a plane intersecting the stands approximately 1¼" forward of the rear edge. This can be accomplished by experimentally moving the target to the rear until it topples, and then moving it forward 1". Stands can be designed to incorporate stops to facilitate setting the targets at the proper topple point. Pistol Cartridge Lever Action and Smallbore Lever Action Rifle targets are to be set full-foot and flush with the backs of their stands.

## AMMUNITION ALLOWED

Any appropriate ammunition as listed in Rule 3.1.3, which is not damaging to the targets may be used. Magnums, armor piercing, tracer and incendiary ammunitions are prohibited. The Match Director may prohibit the use of ammunition that proves damaging to the targets. In accordance with Rule 10.7 of the NRA Rules, only five (5) rounds of loose ammunition will be placed on the shooting stand for each series.

## RIFLE POSITION DURING TARGET SETTING

NRA Whittington Center requires NO rifles may be pointed down range when any personnel, including target setters, are visible in front of the firing line. Rifles will be in a vertical position with the Empty Chamber Indicator (ECI) inserted in the chamber, either in the notch on the firing point tray or with the spotter or competitor holding the rifle with the muzzle pointed up.

## TARGET COLOR

Targets for the Lever Action, Pistol Cartridge, and Smallbore Rifle Championships will be painted black.

## LEVER ACTION FIRING PROCEDURE

The Long Range Pistol range, on which the Lever Action event is fired, is arranged in such a fashion that the normal sequence of fire: Chicken — Pig — Turkey — Ram, requires an excess of movement to complete the event. Therefore, a different order will be used to shorten the movement to fire the complete event. Competitors will shoot either chicken/turkey or pig/ram in the AM and then shoot either pig/ram or chicken/turkey in the PM to complete the course.

## FIRING LINE

The Hunter's Pistol Range used for Pistol Cartridge and for Smallbore has a covered firing line. The Long Range Pistol Range used for Lever Action, has a covered firing line.

## AWARDS CEREMONY

Awards for the Lever Action Rifle and Pistol Cartridge Lever Action Rifle Championships will be presented at the Coors Building after a dinner, Thursday, July 26. The dinner will be provided at no cost. The final award ceremony for Smallbore Lever Action Rifle will be held on the range, after completion of all shoot-offs, Friday, July 27.

## COMPETITORS' MEETING

There will be competitors' meeting on Thursday, July 26, following the awards ceremony. The meeting will provide opportunities to discuss competition programs and rules with members of the NRA Silhouette Committee. All competitors are invited to attend.

## PRACTICE

The NRA Whittington Center is open seven days a week for practice. If you are not a Whittington Center Gun Club member, there is a range fee of \$20.00 per day. The match entry fee includes one free practice day prior to the start of the match. Whittington Center Gun Club members can use the ranges for free. Whittington Center Gun Club membership is \$30.00 per year. Fees for shooting before a Championship shall be paid to the Center gatekeeper. During the Championship, the range will be open for practice from daybreak until one hour before the match and after the match until dark. Range fees for the Championship days are included in the match fees. Shooters will be expected to set targets during practice hours.

## MEALS

There will be meal and beverage service available at the range and in the center cafeteria during the Championship.

## TIES AND SHOOT-OFFS

All ties will be conducted in accordance with Section 15 of the NRA Silhouette Rifle Rule Book. **If there is not sufficient time to conduct shoot-offs in a shoulder-to-shoulder fashion, they will be conducted in accordance with this Program.** Ties in the Individual matches of the Lever Action Rifle Championships will be broken by reverse animal count. The reverse animal count used will be Turkeys — Rams — Chickens — Pigs. All unbreakable ties will be decided by shoot-offs. Shoot-offs for the match winners **only** will be a five-shot string. All ties in the Championship Aggregates — Individual and Team — will be broken by shoot-offs. Shoot-offs for the match winners **only** will be a five-shot string. Should the final total score for the National Aggregate Champion result in a tie, the five-shot shoot-off will be conducted with the Smallbore Lever Action Rifle only.

If there are ties for Open or Special Category awards involving competitors from different classes, all of the competitors involved in the shoot-off will fire at the same time. If there are two or more competitors from the same class, the shoot-off will also determine the final standing for class awards. Ties in team matches will be broken by shoot-offs, with all team members firing.

For any matches in the morning that require shoot-offs, the shoot-offs will be conducted at noon-time prior to the 2<sup>nd</sup> event.

## AWARDS

Awards will be given provided there are 5 or more competitors for First place, 10 for Second place, and 15 for Third place for a category, class, or place awards, or limited where noted in the program.

Upon presentation of their Classification Score Record Booklets, competitors will receive packets containing scorecards and other Championship material. All firearms must have an ECI inserted before coming to the table for inspection.

### ARMS AND EQUIPMENT ALLOWED

All rifles in the Black Powder Cartridge Rifle Scope Championship shall conform to Rules 3.4 and 3.4.1 of the NRA Silhouette Rifle Rules. **(The same rifle must be used throughout a match except in cases of malfunctions not readily correctable.)** Listed below is the rule pertaining to the Black Powder Cartridge Rifle Scope:

#### Rule 3.4.1 Scoped Black Powder Cartridge Rifle

Identical to the description of the BPCR (Rule 3.4) with the following exceptions:

- (a) Maximum weight with scope — 15 pounds.
- (b) No length or power limitations on the scope. Scope tube body to be  $\frac{3}{4}$ " or less in diameter and any ocular or objective lenses, adjusting or assembly rings to be less than 1" in diameter.
- (c) No internal scope adjustments for windage or elevation.
- (d) Mounts to be of the traditional style of the period, and contain the windage and elevation adjustments for the scope in either, or both, the front or rear mounts. No click adjustments in the mount. Either dove tail mounting or scope block mounting is allowed.

*Original scope mounts of either the Cataract or Malcolm style or variations thereof, or replicas or derivatives of either style, are allowed provided the replica or derivative conforms to the criteria of paragraph (d) above.*

- (e) Cheek pieces may be used and may be of any height.

All crossed sticks used in the Black Powder Cartridge Rifle Scope Championship MUST conform to NRA Silhouette Rifle Rule 5.2.1: "Crossed sticks constructed of two wooden legs, no greater than 1 inch by 2 inches in thickness and width or  $1\frac{1}{2}$  inches in diameter, and bolted or tied so that the two legs are hinged and capable of pivoting. The end of the legs may be equipped with spikes no more than 3 inches in length and no wider than the edge of the crossed stick." This equipment must be certified before it will be allowed on the firing line and may be re inspected at random by the Official Protest Committee at any time.

**The competitor/spotter may not go forward of the firing line to adjust cross sticks or for any other reason after the READY command has been given.**

### RIFLE POSITION DURING TARGET SETTING

NRA Whittington Center requires that NO rifles may be pointed down range when any personnel, including target setters, are visible in front of the firing line. Rifles will be in a vertical position with the Empty Chamber Indicator (ECI) inserted in the chamber, either in the notch on the firing point tray or with the spotter or competitor holding the rifle with the muzzle pointed up.

## CLEANING TABLES

One table will be assigned to each firing point. There will be 64 tables as near to each firing point as possible. Each table will be marked with the animal and target number. All relays that start on the same position will use the same table throughout the day. Competitors may bring their own personal tables if desired and space is available.

## AMMUNITION ALLOWED

Cartridges will conform to Rules 3.4 (d) and 3.4 (e) of the NRA Silhouette Rifle Rules. According to Rifle Rule 10.7, only five (5) rounds of ammunition may be readily accessible at the competitor's firing point during each string of record fire. Use of smokeless powder in any quantity is prohibited. Random ammunition checks may be conducted during the Championship.

## TARGET COLOR

Targets for the BPCRS Silhouette Championship will be painted black.

## FIRING LINE

The firing line is covered.

## AWARD CEREMONY

Awards for the Black Powder Cartridge Rifle Scope Championship will be held Wednesday, August 1, on the range, after completion of all shoot-offs.

## COMPETITORS' MEETING

There will be a competitors' meeting held Wednesday, August 1, at the conclusion of the dinner and awards presentation. The meeting will be held in the cafeteria and will provide opportunities to discuss competition programs and rules with members of the NRA Silhouette Committee. All competitors are invited to attend.

## PRACTICE

The NRA Whittington Center is open seven days a week for practice. If you are not a Whittington Center Gun Club member, there is a range fee of \$20.00 per day. The match entry fee includes one free practice day prior to the start of the match. Whittington Center Gun Club members can use the ranges for free. Whittington Center Gun Club membership is \$30.00 per year. Fees for shooting before a Championship shall be paid to the Center gatekeeper. During the Championship, the range will be open for practice from daybreak until one hour before the match and after the match until dark. Range fees for the Championship days are included in the match entry fees. Shooters will be expected to set targets during practice hours.

## MEALS

There will be meal and beverage service available at the range and in the center cafeteria during the Championship.

## LUNCH BREAK

If there are only two relays for the Scope Championship, a short break will occur at the halfway point for cleaning your gun and lunch.

## SIGHTING SHOTS, BLACK POWDER CARTRIDGE RIFLE AND BLACK POWDER CARTRIDGE RIFLE SCOPE

A two-minute sighting-in period will be allowed on each bank of targets immediately prior to firing the record stage. No sighting shots, warm up shots or fouling shots will be fired in other than the sighting-in period which will be at the start of and prior to firing the first bank of 5 record shots. The scorekeeper must be informed prior to firing the first record shot.
