NRA INTERCOLLEGIATE PISTOL CHAMPIONSHIPS

MATCH PROGRAM

DATE

March 22-27, 2015

LOCATION

Fort Benning, Columbus, Georgia

ELIGIBILITY

NRA Rule 2.8 applies in that Intercollegiate Sectional matches are open to individuals and teams whose members represent any one college, junior college or university, provided each member is eligible for participation in intercollegiate competition under the rules of the institution. For purposes of NRA Intercollegiate Sectionals/Nationals ONLY: a collegian may compete for a maximum of four years during their undergraduate career. Collegians must be full-time during the semesters in which they compete. If a collegian goes to graduate school directly after graduation from undergraduate school, and has one, or more, year(s) of eligibility left, the graduate student may compete (and complete their four years of eligibility) in their first year of graduate school. No student may compete in the Intercollegiate Sectional Program for more than four separate calendar years.

INVITATIONS

Open Events

The top ten ranking teams and the top thirty ranking individuals in each event in the 2015 NRA Intercollegiate Pistol Sectionals are invited to compete in the 2015 NRA Intercollegiate Pistol Championships. The top teams in ROTC Standard Pistol will also be invited. Only one team per institution per event may qualify to compete. Once the top 10 institutions are selected the same team members who fired in the sectional do not have to compete on the team in the Championships. Any shooter from that school, who fired in an Intercollegiate Pistol Sectional, may fire as a team member at the Championships. Team alternates must be listed prior to competition on Monday, March 10 at 5:00 pm (Rule 12.4). Only those shooters who are invited as the top 30 individuals in each event may compete for individual title and only in the event for which they were selected. If selected teams or individuals are unable to attend, invitations will be passed down until all slots are filled.

Teams and individuals not representing the USA may qualify for invitation if/when they have scores within the top ten. These individuals are ineligible for the National Awards; however, they will compete for "High Visitor" awards.

Teams qualifying in two of the three team events may participate in all three team events in order to compete for national aggregate championship awards only.

Women's Events

The top 20 ranking women who fired in the 2015 NRA Intercollegiate Pistol Sectionals air pistol event are invited to compete for the title of Women's Collegiate Air Pistol National Champion. The top 20 ranking women who fired in the 2015 NRA Intercollegiate Pistol Sectionals women's sport pistol event are invited to compete for the title of Women's Collegiate Sport Pistol National Champion. The top five teams in Women's Air Pistol and Women's Sport Pistol will be invited to the Championships.

Men's Events

The top 15 ranking men who fired in the 2015 NRA Intercollegiate Pistol Sectionals men's 40 shot air pistol event are invited to compete for the title of Men's Collegiate 40 Shot Air Pistol National Champion. The top 15 ranking men who fired in the 2015 NRA Intercollegiate Sectionals men's sport pistol event are invited to compete for the title of Men's Collegiate Sport Pistol National Champion. More men will be invited to take the line if there is enough interest and space allows.

ENTRY FEES

Individual competition per event - \$35.00
Team competition per event - \$60.00

Each competitor firing in the individual matches will pay an entry fee of \$35.00 per match event. Each team will pay \$60.00 per match event. Payment is due upon registration at the Championships. Make checks payable to the National Rifle Association.
