ELIGIBILITY

NRA Rule 2.8 applies in that Intercollegiate Sectional matches are open to individuals and teams whose members represent any one college, junior college or university, provided each member is eligible for participation in intercollegiate competition under the rules of the institution. **For purposes of NRA Intercollegiate Sectionals/Nationals ONLY: A collegian may compete for a maximum of four years during their undergraduate career. Collegians must be full-time during all semesters in which they compete; except for their final semester which may be less than 12 hours. If a collegian goes to graduate school directly after graduation from undergraduate school, and has one, or more, year(s) of eligibility left, the graduate student may compete (and complete their four years of eligibility) in their first year of graduate school.*

INVITATIONS

Competitors who achieve the minimum qualifying score (MQS) in the 2017 NRA Intercollegiate Rifle Sectionals are invited to compete in the 2017 NRA Intercollegiate Rifle Club Championship. Only one team per institution per event may qualify to compete. Once the teams are selected the same team members who fired in the sectional do not have to compete on the team in the Championships. Any shooter from that school, who fired in an Intercollegiate Rifle Sectional, may fire as a team member at the Championship. Teams (shoot five, count four) must be listed by 7pm Friday March 17, prior to competition. Individual competitors may compete in both disciplines regardless of qualifying for both.

Individual MQS: Smallbore Rifle - 450 Air Rifle - 495

Team MQS: Smallbore Rifle - 1800 Air Rifle - 1980

Teams qualifying in one of the two team events may participate in both team events in order to compete for national aggregate championship awards only.

ENTRY FEES

Individual competition per event	\$35.00
Team competition per event	\$60.00

Each competitor firing in the individual matches will pay an entry fee of \$35.00 per match event to the NRA. Each team will pay \$60.00 per match event to the NRA. Payment is due no later than March 19, 2017. Make checks payable to the National Rifle Association.

The top qualifying team and the top qualifying individual from the overall results in the 2017 Intercollegiate National Rifle Sectionals will be awarded free entry to the NRA Intercollegiate Rifle Club Championships.
