HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, thus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.
