

HIGH POWER RIFLE

Rule changes effective 2012

2.11 Club Teams – All team members, including Team Captain and firing Coach, must have been active fully-paid members of the club that the team represents for a period of at least 30 days immediately prior to the competition. The club may be affiliated with NRA. There are two types of teams allowed in this rule:

- (a) Local Club Teams – Local Club Teams must be composed of members who reside legally within the same state, territory or province or residents of other states who live within 50 miles of the local club.
- (b) Open Club Teams – Open Club Teams must be composed of members all of whom are not necessarily legal resident in the same state, territory or province. (A single club could have more than one team, one of which could be a Local Club Team; and another, an Open Club Team).
- (c) Non-US Citizens competing in team matches shall enter in the Open Club category.

3.1 Service Rifle –

- (f) DELETE

3.3.2 NRA Any Sight Match Rifle/Tactical Rifle –

- (c) Competitors may use a service rifle equipped with optic sights to compete under this rule. Competitors using service rifles described in Rules 3.1(c) and 3.1(d) may remove the carry handle to allow mounting of the optic sight.

7.22 F-Class Long Range National Championships

Any match sponsor that wishes to conduct the F-Class Long Range National Championships shall use the following courses of fire:

- Day 1, 3-15 shot 1,000 yard individual matches.
- Day 2, 3-15 shot 1,000 yard individual matches.
- Day 3, 2, 4-person team matches, 20 shots per individual plus the aggregate of the 2 team matches.
- Day 4, 2-20 shot 1,000 yard matches.

10.7 (b) RAPID FIRE –

Add to end of second paragraph after “These commands can be given while the targets are being repaired.”

Rapid fire commands shall begin immediately following the sighter period. No additional sighter periods shall be authorized.

14.17 Use of Shot Hole Spotters –

- (a) A 1.5 inch or smaller spotter for rapid fire.
- (b) A 3 inch or smaller spotter for slow fire, 200 yards through 600 yards.
- (c) A 5 inch or smaller spotter for all ranges in excess of 600 yards.

14.18 Signal Systems for Scoring Targets – The visual Signaling system described below will be used in all high power rifle tournaments:

- (a) Slow Fire: Value spotters are placed as indicated on the target frame, all of a highly visible color such as fluorescent orange or black. The shooter may request the color they can best see.

- XCenter Right side
- 10Bottom right corner
- 9Bottom center
- 8Bottom left corner
- 7Center left side
- 6.....Center right side (same as X)
- 5Bottom right corner (same as 10)
- Miss ...Both bottom left corner & bottom right corner

- (b) Rapid Fire: A narrow vertical chalk board is hung on the left side of the target frame (during scoring phase only), with the successive scoring values painted on it. Opposite each value is chalked the total number of hits of that value scored in the string.
