

HIGH POWER RIFLE

Rule change effective 2015

17.5 Courses of Fire for which National Records are Recognized- Note: *National High Power Rifle Records are maintained for scores fired over the following courses for "Open", "Police", "Service", "Civilian", "Woman", "Junior", "Senior" and "Grand Senior" categories fired on the targets indicated and for metallic sights only unless specified otherwise. The "Service" category includes Regular Service, Reserve Components, and National Guard. National Record Reporting forms must be submitted to NRA by the Statistical Officer of the tournament in which they were fired, after being certified by the Jury of Referee. National Records Reporting forms are mailed to sponsors of NRA Registered Tournaments by NRA Headquarters.*

Rule 3.22 Electronic Devices- *Competitors are responsible to ensure all electronic communications and audio devices in their possession forward of the ready line are silenced and communication disabled.*

- (a) During Team matches only, team members may communicate with each other via hard-wired communications devices. These communications devices must not transmit over a radio frequency, and must not interfere with safety, range operations or other competitors.

Rule 3.10 Ground Cloths or Ground pads- *A competitor may use one or more ground cloths or ground pads so long as they are not constructed or used in a manner to provide artificial rest or support.*

F-Class Rule 3.4.1 Rifle Rests (a) (2) - The use of "tables" i.e. a single flat solid surface extending under both front rest and rear bag is prohibited. Carpet or similarly flexible matting may be placed under the front rest and rear bag. Separate flat boards and or plates not exceeding the dimensions of the individual rests by two inches on a given side may also be placed under the front rest and rear bag. In the case of a bipod, the board or plate may be as wide as necessary to accommodate the bipod at its widest point, but not be more than 12" front to rear. It is not permitted to provide tracks for the guidance of bipod feet. No levelling screws or protrusions are allowed on these boards or plates. They must be flat on the top and bottom.

F-Class Rule 3.4.1 Rifle Rests (b) (2) - The use of "tables" i.e. a single flat solid surface extending under both front rest and rear bag is prohibited. Carpet or similarly flexible matting may be placed under the front rest and rear bag. Separate flat boards and or plates not exceeding the dimensions of the individual rests by two inches on a given side may also be placed under the front rest and rear bag. In the case of a bipod, the board or plate may be as wide as necessary to accommodate the bipod at its widest point, but not more than 12" front to rear. It is not permitted to provide tracks for the guidance of bipod feet. No levelling screws or protrusions are allowed on these boards or plates. They must be flat on the top and bottom.

Remove Rule 7.22 out of the Conventional High power section of the rulebook and insert into the F-Class section of the rulebook.

7.22 F-Class Long Range National Championships- *Any match sponsor that wishes to conduct the F-Class Long Range National Championships shall use the following courses of fire:*

- *Two (2) days of 3-20 shot 1,000 yard individual matches*
- *One (1) day of 2-20 shot 1,000 yard individual matches*
- *One (1) day of 2, 4-person team matches, 20 shots per individual, plus the aggregate of the 2 team matches*

F-T/R and F-Open National Championships do not have to be run simultaneously and may be run consecutively so as to allow the Championships to be fired on smaller ranges.

Rule 18.8 Official Time- Official time in both slow and rapid fire is kept in the pits by the Chief Pit Officer.
