

MATCH CONDITIONS

ELIGIBILITY

Any female may enter this match, but only once per calendar year. Membership with the NRA is not required but **is encouraged**. There are no age minimums or maximums.

FIRING DATES

These matches are an annual event open from January 1st until December 27th each year. Firing may be done any time after entering the match and receiving the score sheet.

ENTRY CLOSING DATE

Entries may be made at any time provided firing reports are postmarked by December 27th. Any score sheet postmarked after that time may not be included in the national results or be eligible for awards.

ENTRY FEE

Entry fees are listed for the match or matches you select on the entry form (back panel).

AWARDS

A trophy plaque will be mailed to the highest scorer (1st place) in each match. A minimum of five competitors is required for 1st place in each match; eight for 2nd place in each match; and additional awards will be based on one award for every five (5) competitors thereafter in each match.

ADMINISTRATION

Mail entries and fees to: NRA/Competitive Shooting Division
ATTN: Postal Program Coordinator
11250 Waples Mill Rd.
Fairfax, VA 22030

POSTAL RESULTS

Postal results will be available after February 1st online at competitions.nra.org/championship-results/nra-postal-matches-results.aspx. A challenge period of 14 days is available starting immediately after the results are posted

on line at the link given. This period is for any changes or corrections to be made to the results. Once the challenge period has expired all results are final and no changes can be made.

Women On Target® has created an exciting and easy way to try out a national competition on an informal basis. You –and perhaps a friend or two– may choose a course of fire, and then shoot that course at your home or local range. Once you shoot the course, you mail your score results to the NRA. NRA will then rank all the participants' scores across the country and distribute awards based on the number of participants entering each match.

To give you a little more to shoot for, Women On Target® will promote you and your picture (if provided) on our website: women.nra.org/national-postal-matches.aspx if you are one of the winners in any of the matches.

The program is easy to start. Fill out the entry form and mail it back to us. Once we have received your entry form, we will mail you a scoring sheet. Return the scoring sheet when firing is completed, but before the deadline of December 27th. Remember that an NRA member must witness your scored firing.

The most important thing to remember is safety first. If you are unfamiliar with your firearm or want to learn other disciplines, we suggest taking an NRA Basic Course. You may find one by visiting: nrainstructors.org. Now, have some fun and find your competitive edge. These matches are great to see how your marksmanship skill matches up to other women shooters across the country.

For any questions please contact the Postal Program Coordinator at: postals@nrahq.org or (703) 267-1482.

PISTOL MATCHES

RULES

In all cases not covered by the conditions in this program, current *NRA Conventional Pistol Rules* will govern these matches. Rules are available in pdf format on-line at: competitions.nra.org/official-nra-rule-books.aspx

EQUIPMENT

Center Fire Match: Any semi-automatic pistol or revolver .32 caliber or larger with metallic, telescopic, or electronic sights may be used.

Rim Fire Match: Any .22 caliber semi-automatic pistol or revolver with metallic, telescopic, or electronic sights may be used.

Sights that project an image onto the target are prohibited in both matches.

TARGETS

Three B-3 targets are required for either match. (NRA does not provide targets.)

MATCHES/COURSE OF FIRE

For both center fire and rimfire matches: 30 shots at 50 feet using two hands.

1st Target - 10 shots fired in 10 minutes

2nd Target - 10 shots fired in 60 seconds

3rd Target - 10 shots fired in 30 seconds

All 30 shots must be fired consecutively as a complete match. Different matches may be fired on different dates.

WITNESS

A current NRA member must witness and score all firing for record. Witness signature and NRA member number must be included on the score sheet.

SCORING

Each target is to be scored by two individuals acting as official scorers. Scorers must score each shot hole at the same time. Both scorers must agree on the exact value of the shot hole. If they disagree, a third person must break the tie.

Hits: Scoring ring values are printed on the target. If a shot hole *touches* the solid borderline of the next higher scoring ring, it counts for the higher value.
