# GENERATIONS

**One of the best ways** to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth

of competitive shooting and national championship events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used of qualified programs. Earnings in excess the funds used for program purposes are reinvested to ensure the fund's growth, hus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

#### **TO ALL COMPETITORS**

Since January 2, 2017, W-9 information has been electronically collected and automatically verified during the registration process through a secure verification website. Without a valid W-9, shooters may still compete, but not receive any monetary awards or donated awards of value.

# **IN-PROCESSING**

All competitors must report to the Statistical Office (i.e., bench area at the NRA store) to pick up their entry packets that include liability waivers. With forms completed, finish the Check-In process at the Statistical Office window and receive a competitor number, ID card, etc. Walk-up entries will be accepted if registering prior to the start of a championship and space is available. Those competitors must register at the Statistical Office immediately upon arrival. All late entries must submit a W-9 Form to be validated. Without a valid W-9, shooters may still compete, but not receive any monetary awards or donated awards of value.

# FOREIGN COMPETITORS

Foreign competitors will be exempt from the electronic W-9 collection process. They will be required to complete a form W-8 upon arrival, and will be taxed 30% on awards regardless of amount won. Trophies and plaques are exempt from this tax.

# AWARDS DISTRIBUTION PROCEDURES

Competitors are asked to check the final results posted on the Official Bulletin Board to determine if they achieved an award. All awards will be presented at the Award Ceremonies at the range or banquets. Awards other than monetary, will not be mailed. All awards must be picked up from either the Awards Banquet or the Awards Office before departing the event. All awards not claimed by close of business the day after the awards ceremony will become property of the NRA. Monetary award checks will be mailed from NRA Headquarters, Fairfax, VA.

Persons unable to pick up their award(s) (individual or team member) must complete a Permission Form for Awards and name the person to whom the award will be released and be responsible if not picked up. Team awards will be given to individual competitors and/or the Team Captain or Coach only if all W9's have been submitted and cleared.

Award winners will receive a printout of their awards that must be signed and that will be forwarded to the Finance Department at NRA Headquarters.

Special Matches

### **MONETARY AWARDS**

Due to the generous donation of a Championship Sponsor, category and class awards will be supplemented throughout the championship matches. This donation is NOT noted in this program. Additions will be made on site at the National Matches.

The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRAsponsored competitions, including but not limited to the National Matches, the NRA Action Pistol Championship (Bianchi Cup), the Smallbore Rifle Metric Championship, the Smallbore Rifle Conventional Championship, and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in cash and/or merchandise prizes (excluding plagues and trophies) in all the above events combined. Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. An IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600 in a calendar year. The IRS requirement above applies to competitors of any age. Please feel free to contact NRA Finance at 703-267-1652 if you have any questions in regard to this matter.

#### **DINNER BANQUETS**

The Position banquet will be on July 20; the Prone banquet the July 26, both at 6:00 p.m. All competitors will each receive one banquet ticket at no charge. A guest may attend with the purchase of an additional ticket (cost of \$25). The banquet location and address will be posted on the Official Bulletin Board. Please dress appropriately.

# AWARDS CEREMONIES

All awards will be distributed at ceremonies either at the range or banquet facilities. After each ceremony, choosing from the top-down scores, an award winner will be announced and asked to proceed to the prize tables to select an additional award.

# FIREARMS AWARD POLICY

Effective with the 2017 Championships, it is the policy of the National Matches not to award firearms to junior competitors that are not of legal age to receive the firearm directly from the FFL holder. Firearms will also no longer be awarded to junior teams where the Team Captain is not of legal age to accept the firearm directly from the FFL holder.

#### AUTHORIZED ASSISTANCE

Adaptive competitors may have assistance in moving equipment to and from the firing line and for target changes. In the case of a team, the captain or coach or NRA staff may assist.
