HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, thus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

MONETARY AWARDS

The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRA-sponsored competitions, including but not limited to the National Matches, the NRA Action Pistol Championship (Bianchi Cup), the Smallbore Metric Championship, the Conventional Smallbore Rifle Championship, NRA World Shooting Championship and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in cash and/or merchandise prizes (excluding plaques and trophies) in all the above events combined in 2019. Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. An IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600 in a calendar year. The IRS requirement above applies to competitors of any age. Please feel free to contact NRA Finance at 703-267-1652 if you have any questions in regard to this matter.

FIREARMS AWARDS POLICY

Effective immediately, it is the policy of the National Matches not to award firearms to junior competitors that are not of legal age to receive the firearm directly from the FFL holder. Firearms will also no longer be awarded to junior teams where the Team Captain is not of legal age to accept the firearm directly from the FFL holder.

FOREIGN COMPETITORS

Foreign competitors will be exempt from the electronic W-9 collection process. They will be required to complete a Form W-8 upon arrival, and will be taxed 30% of awards to be paid at the event before receiving the awards regardless of amount won. Trophies and plaques are exempt from this tax.

COMPETITOR PACKETS

NOTE: All competitors upon going to the Entry Office will receive a Competitor ID Badge with your initial packet. This Competitor ID Badge will be required on designated days below and all awards Ceremonies.

1. A packet containing the necessary labels, score cards, and other information will be prepared for registered competitors.
2. A 2019 year tab will be included in all NRA packets. Any competitor who is a first time competitor and wishes to have a National Matches brassard should request one when the competitor packet is picked up. Additional brassards may be purchased at \$10.00 each.
3. Competitor packets will be available for pickup at the NRA Entry Office, Building 109, beginning at the time and date stated below: (No packets will be distributed before the time and date specified). Each packet must be picked up by the person named on it; except for teams that have made prior arrangements with the Entry Office.

SHOOTING MATS, PADS, ARTIFICIAL SHELTER

Shooting mats are permitted for NRA High Power Championships.

3. No umbrellas are permitted forward of the Assembly Line. The erection of tents or other semi-permanent shelters at least 15 yds behind the Ready Line are authorized during the High Power Rifle Matches. As long as they are staked down and do not interfere with the proceedings of the match.

TARGET CHANGING AND HANDLING

1. Competitors are required to operate targets unless otherwise directed by range personnel. Failure to perform pit duties will result in disqualification from that match.
2. Disabled competitors who cannot perform this duty must furnish an adequate substitute. Substitute target pullers must be registered at the Entry Office and approved by the Match Director.
3. Competitors will be required to place appropriate targets in the target carriers when they go to the pits to act as target pullers. The last relay each day will be required to replace targets in the target trailers.
4. No one is allowed in the pits unless that individual is a target puller, or unless written permission of the Match Director has been obtained and the person is registered at the NRA Entry Office.
5. All competitors are required to use the provided transportation to and from the Pit area in order to keep the range cycle moving.

SCORING

1. Competitors will score each other. As the scoring disks are not readily visible to the naked eye under all conditions, competitors must have on their possession a spotting scope or binoculars in order to perform scoring duties. All scorers must comply with NRA Rule 14.3.1 and are subject to disqualification for failure to perform their duties under the Rules.
2. Scoring System Rule 14.18

TIES

1. A shoot-off will be conducted to determine the winner of a match where an unbreakable tie exists.

3. Ties for class/category awards in matches will be broken in accordance with NRA Rules.
4. Ties for the Overall winner of Match 400 will be decided by the last match fired.

USE OF SCORING DEVICES

No competitor will use scoring plugs of any kind on a target at any time. The Pit Referee, or designee, will plug shots under contention.

SCORECARDS FOR HIGH POWER

1. Scorecards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of scorecards is enclosed. Each competitor must make certain that the correct scorecards are used for each day's firing.
2. DO NOT cross out match numbers and substitute others. NRA championship scorecards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect scorecards used, as the booklet is set up in the order in which the matches are fired.
3. All scorecards used in the matches and all team cards MUST BE labeled with self-adhesive labels (supplied in each competitor's packet). Make certain that you place your current year's labels on your scorecards before you go to the range. Unidentifiable scores will not be used. DO NOT use felt-tip pens to fill out scorecards.
4. All scorecards must be turned in to a line official within 10 minutes of completion of firing a match. Score keepers are reminded to place their label on the back of the score card prior to turning in. Failure to do so may disallow that score for awards.
5. Failure to use the proper scorecard will result in a score of "0".
NOTE: Competitors who appear at the firing line without scorecards will be required to purchase duplicate scorecards at a cost of \$5 per scorecard. It is the competitor's responsibility to have the correct change.
6. When signing scorecards, the competitors must remember they are signing for the value of each shot indicated on the card. Each competitor is responsible for their own scorecard. Competitors are reminded that High Power Rule 14.3.1 requires the Scorer to turn in the scorecard, as outlined above, when it is completed. Competitors should supervise this action.

A competitor who fails to challenge within this time period forfeits the right to challenge.
- 4. Competitors should check the scores posted at the Awards Office Building 112 to verify. Any errors must be reported to the Stat Office prior to closing of the match challenge period.
- 5. There will also be a Challenge Box located at the Stat Office for challenge periods that extend past normal Stat Office business hours. These challenge cards will be picked up each morning by 9:00 a.m. when a challenge period extends past normal business hours for the Stat Office.

CHALLENGES

- 1. Each competitor should check the competitor scores as they are posted on the computer printout at the Awards Office Building 112. Unless otherwise noted, scores posted are preliminary and do not necessarily reflect the final standings and/or awards won. If you feel your score, class, or category are not correct, it is your responsibility (team captain for team matches) to report this to the Stat Office prior to the close of the posted challenge period for that match. (See Rule 18.13).

2. Go to the Stat Office Building 109. Explain the discrepancy. The Challenge will be processed and corrections made if warranted.
3. If the challenge period extends overnight after normal business hours of the Stat Office, there is a Challenge Box located at the Awards Office Building 112 to write up your challenge, place in the Challenge Box.
4. It is the competitor's responsibility to make certain that the scores posted are correct. Failure to check scores within the time limit will result in the penalty of losing the privilege of any further challenge. It is the Statistical Office's responsibility to correct scores prior to the end of the final challenge period. After the final challenge period, the competitor accepts the responsibility for scores posted.

PROTESTS

All protests must be in accordance with applicable NRA Rules. If, after following the procedure specified in NRA Rules 16.2 and 16.3 for reasons outlined in Rule 16.2, a competitor feels that he or she should file a written protest, the following must be done:

NOTE: Failure to follow the following procedures will automatically void the protest.

1. If the incident occurred on the range, state the complaint orally to the Chief Range Officer. If not satisfied, the complainant will:

5. In case of awards, a protest must be filed with the Statistical Office no later than 30 minutes after the completion of the Awards Ceremony.
6. The protesting competitor should be prepared to appear before the Protest Committee, if requested to do so.

8. Should a protest require or involve a re-fire, the referee may collect the \$20 protest fee, and the competitor will be allowed to fire the shots required to complete the match. The shots comprising that score will be recorded on the back of the scorecard for use of the Protest Committee. An Official Protest form must be completed where a re-fire is involved.
9. If the incident to be protested is in the pits, the complainant must orally notify the Pit Referee before leaving the pits, who will then notify the Chief Referee that a protest is pending.

NRA ELR MATCH RULES

The following rules have been established to standardize the requirements for a recognized NRA ELR event, while managing approximately 80 shooters in an efficient manner. Multiple shooters will be on the line simultaneously, setting up and waiting their turn to shoot. The order of shooters will be selected randomly prior to the beginning of the match.

1. The match format is 5 rounds on each of 3 targets at 1500, 1760, and 2000 yards, with no sighters. Targets are 36-inch square plates.
2. Only one rifle per shooter and two shooters cannot share one rifle.
3. There will be 2 Classes. ELR Heavy and ELR Light.
4. The ELR Heavy Class will be rifles weighing under 50 lbs. with 50 caliber and below.
5. The ELR Light Class will be rifles weighing under 25 lbs. with 338 Caliber and below.
6. There is no restriction on scope magnification.
7. Rifle weight limit includes anything attached to the rifle (optics, bipod, sling, etc.) No Rail Guns.
8. Shooters may have one coach and one spotter, and the team must stay as a team. Coaches and spotters can work with only one shooter for the day.
9. If the two or three person team are all shooting, they will be squaded in different relays so that they can rotate positions.
10. The target will be 36 inches square. If there are hits on the target and there is a way to mark them on the monitor, it will be at the discretion of the Match Director to decide when the target should be re-painted.

11. Targets will be located at distances from 1500-2000 yards. Exact distance to the targets will be announced on the day of the match and measured from the center of the firing line.
12. Shooters are still responsible for ranging their own targets from their shooting position on the line.
13. The Match Director will be impartial and will not coach or assist any shooters.
14. The ROs will establish the shooting order and give range commands. Only one shooter will shoot at a time and the shooting order will be established by random draw.
15. Shooting will be done from the prone position with a bipod. Shooters may have one rear bag (or bag stack) to support the toe of the stock.
16. Accommodations will be made for individuals with physical restrictions at the Match Director's discretion.
17. Shooters will be divided into relays. On command, all shooters and spotters in the relay will line up on the firing line behind their rifles and spotting scopes. The 5 minute prep time may be concurrent with other shooters firing their record shots to save time.
18. To keep the spirit of the competition fair, we will be shooting one distance at a time. This will allow everyone to manage the changing winds more equally. The time limit for shooting 5 rounds on a plate will not exceed 3 minutes from when the first shot is fired.
19. Once the shooter has been given the command to fire, no other person can assist or communicate with the shooter except the spotter and coach.
20. The next shooter on the line should be prepared to shoot immediately following the previous shooter and when commanded by the RO.
21. "Impact" will be clearly announced by the Match Director or his designee for everyone to hear.
22. Impacts on targets must be a direct hit. Skip shots or ricochets will not be scored.
23. Every attempt will be made to video all shooters.
24. In the event of a tie, the Shoot Off will be held at 2000 yards on a 36 inch plate with one shot. The closest to the center will be winner.
25. All Shooters and Spectators will be required to sign a liability release waiver.
26. Additional administrative and Range Safety rules will be given at the pre-match range safety brief.
27. When arriving rifles will be cased or actions open with an empty chamber indicator flag.
28. Match Director and ROs reserve the right to remove any shooter from the line and from the event for unsafe rifle handling.

ELR CENTRAL WORLD RECORD ATTEMPT:

Prior to the NRA match, shooters will have the opportunity to shoot 3 rounds at a 36" x 36" target at approximately 2,050 yards. The final distance will be verified by at least 2 range finders. This must be done from a cold bore with no sighters. For a World Record, the shooter must score 3 out of 3 hits. Time limit is 3 shots in 3 minutes. This World Record attempt will only be for a shooter and spotter. Please refer to the ELR Central Website for the World Record attempt rules. **ELRCENTRAL.COM**
