

## 2020 Smallbore Rule Book Revisions

**2.2.1** It was found that the 60 year old age requirement for the Senior Category in Rule 2.2.1 was accidentally changed to 65 during the publishing file conversion process. This was corrected and the corrected Rule Book was reposted on February 9, 2021.

Master classifications and scores shall become obsolete if the competitor does not fire in NRA competition at least once during five successive calendar years. Lifetime Master Classifications will not become obsolete.

**Section 23.** Remove the word "Provisional".

**Section 23. 3.1.2(a)** Should read:

**F-Class Open Rifle (F-O)** - The F-Open rifle may be supported by a front rest bag, which may be fully adjustable for position but may not provide a positive mechanical method for returning the rifle to its prior point of aim from the previous shot. The rest may not mechanically capture the fore-end of the rifle in such a way that does not allow the rifle to be lifted directly up from the rest or to be placed directly down into the rest. Any rest which captures the fore-end of the rifle and that will not allow for the rifle to be lifted directly up from the rest shall be considered to be an attachment. The area of contact between the front bag and the rifle's fore-end will not exceed 76mm x 76mm (2.99 inches x 2.99 inches). The F-Open front rest may be employed for either the rifle's fore-end or for the shooter's forward hand. If attached, clamped or held onto the rifle in any way, a front rest must be included in the rifle's overall weight. The front rest may have up to three "feet". Each "foot" may terminate in a spike, which may be pressed into the ground by up to 50mm (about 2"), provided this causes no significant permanent harm or damage to the firing point.
