HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, thus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

All competitors are responsible to be knowledgeable of all rules, regulations and contents of this program (NRA Rule 18.15). Everyone involved in these National Matches must understand that in accordance with NRA Rule 11.1 and 11.4, the NRA Match and Range Directors have complete authority to make any last minute changes they deem necessary in order to ensure that the competitions are run smoothly and safely. This may include changes in relay and squadding schedules and cancellations of firing altogether. Any such changes will be relayed to the competitors via announcements and/or Match Director Bulletins.

Check notices for onsite vendors.

RESULTS BULLETIN

Preliminary Results Bulletins will be posted outside statistics building. An Official Copy of the final results will be available online after the conclusion of the matches at <https://competitor.nra.org/ChampionshipResults.aspx>.

AWARDS OFFICE LOCATION

The NRA Awards Office is located in Building 212.

W9 information will be electronically collected and automatically verified during the registration process through a secure verification website. Registration cannot be finalized without filling out the requested information and verification being completed, or selecting the opt-out option.

If a competitor opts-out of W9 verification, they will be forfeiting any potential monetary awards for the Championship. The W9 opt-out selection is irreversible if not completed by the close of Registration.

AWARDS OFFICE PROCEDURES

Competitors should pick up their awards as they become available, when posted as final results on the bulletin board. Please bring competitor identification/awards receipt and competitor labels when claiming awards for the Prize Table at the Award Ceremonies.

The following awards will not be mailed: coins, medals, and/or donated merchandise. All awards must be picked up from the awards office before departing the event. Prize Table Awards not claimed immediately following awards ceremony will become property of the NRA. Anyone not attending an awards ceremony forfeits their claim to an award from the prize table. Standard awards not claimed by close of business the day after the awards ceremony will become property of the NRA. Award checks will be mailed from NRA Headquarters, VA.

MONETARY AWARDS

The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRA-sponsored competitions, including but not limited to the National Matches, the Smallbore Metric Championship, the Conventional Smallbore Rifle Championship, NRA World Shooting Championship and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in cash and/or merchandise prizes (excluding plaques and trophies) in all the above events combined in 2020. Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. An IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600 in a calendar year. The IRS requirement above applies to competitors of any age. Please feel free to contact NRA Finance at 703-267-1652 if you have any questions in regard to this matter.

FIREARMS AWARDS POLICY

Effective immediately, it is the policy of the National Matches not to award firearms to junior competitors that are not of legal age to receive the firearm directly from the FFL holder. Firearms will also no longer be awarded to junior teams where the Team Captain is not of legal age to accept the firearm directly from the FFL holder.

FOREIGN COMPETITORS

Foreign competitors will be exempt from the electronic W-9 collection process. They will be required to complete a Form W-8 upon arrival, and will be taxed 30% of awards to be paid at the event before receiving the awards regardless of amount won. Trophies and plaques are exempt from this tax.

COMPETITOR PACKETS

NOTE: All competitors upon going to the Entry Office will receive a Competitor ID Badge with your initial packet. This Competitor ID Badge will be required on designated days below and all awards Ceremonies.

1. A packet containing the necessary labels, score cards, and other information will be prepared for registered competitors.
2. A year tab will be included in all NRA packets. Any competitor who is a first time competitor and wishes to have a National Matches brassard should request one when the competitor packet is picked up. Additional brassards may be purchased at \$10.00 each.
3. Competitor packets will be available for pickup at the NRA Entry Office, beginning at the time and date stated below: (No packets will be distributed before the time and date specified). It is the competitor's responsibility to bring ample ammunition should this happen.

AUTHORIZED ASSISTANCE

Individuals who have a physical disability, which precludes them from conforming to the time schedule for changing targets, may have someone assist them in moving equipment to and from the firing line. In Team Matches, Captains and/or Coaches are permitted to assist in changing targets and moving equipment to and from the firing line. Tournament Conditions

1. All matches fired on the same day regardless of the time are considered to be fired under equal conditions.
2. Not all competitors need to complete a given match before another match is begun.

RULES

Current NRA Rules will govern the conduct of these Championships except as modified within this program. It is the competitors responsibility to be familiar with the appropriate rule books and program. As per section 11 the Match and Range Directors have complete authority to make any changes as necessary for smooth operation and safety of the matches.

Smallbore: Rule 3.2 Any Rifle will be used. Exception for the Championships: Rule 2.2.1 Senior is amended to Intermediate Senior, ages 55 through 64, and Senior (age 65 and above). Rule 16.1(c) is amended for the Championships to require all Administrative Challenges be made prior to the end of the final challenge of the first aggregate.

SHOOTING MATS, PADS, ARTIFICIAL SHELTER

Shooting mats are permitted for NRA Smallbore and High Power Championships.

1. No umbrellas are permitted forward of the Assembly Line. The erection of tents or other semi-permanent shelters at least 15 yds behind the Ready Line are authorized during the Matches. As long as they are staked down and do not interfere with the proceedings of the match.

TARGET CHANGING AND HANDLING

PISTOL:

Listed targets will be placed in frames and changed by competitors.

SMALLBORE:

Competitors are responsible for hanging their own tgts and backers to the frames for the range and position being fired. Competitors must furnish adequate clips to secure targets to frames.

HIGH POWER:

1. Competitors are required to operate targets unless otherwise directed by range personnel. Failure to perform pit duties will result in disqualification from that match.
2. Disabled competitors who cannot perform this duty must furnish an adequate substitute. Substitute target pullers must be registered at the Entry Office and approved by the Match Director.

3. Competitors will be required to place appropriate targets in the target carriers when they go to the pits to act as target pullers. The last relay each day will be required to replace targets in the target trailers.
4. No one is allowed in the pits unless that individual is a target puller, or unless written permission of the Match Director has been obtained and the person is registered at the NRA Entry Office.
5. All competitors are required to use the provided transportation to and from the Pit area in order to keep the range cycle moving.

SCORING

PISTOL:

Each competitor will score the target to the left, except for those firing on the first target on a line, whose scoring duties will be performed by National Match personnel. In Team Matches, each team must supply a scorer for another team. The decision of the Scoring Referee is final.

SMALLBORE:

Targets will be scored by the scoring section in the statistical office.

HIGH POWER:

Competitors will score each other. As the scoring disks are not readily visible to the naked eye under all conditions, competitors must have in their possession a spotting scope or binoculars in order to perform scoring duties. All scorers must comply with NRA Rule 14.3.1 and are subject to disqualification for failure to perform their duties under the Rules.

TIES

1. A shoot-off will be conducted to determine the winner of a match where an unbreakable tie exists.
2. In the case of unbreakable ties for 2nd and 3rd place, competitors concerned will both be awarded the higher prize, and be listed in competitor number sequence in the Bulletin.
3. Ties for class/category awards in matches will be broken in accordance with NRA Rules.
4. Ties for the Overall winner of High Power Match 400 will be decided by the last match fired.

USE OF SCORING DEVICES

No competitor will use scoring plugs of any kind on a target at any time. The Pit Referee, or designee, will plug shots under contention.

NRA Pistol Championships only: Competitors may use standard NRA overlays per Rule 14.3.1.

Smallbore and High Power: Only designated officials will use scoring devices on the range.

SCORECARDS FOR PISTOL AND HIGH POWER

1. Scorecards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of scorecards is enclosed. Each competitor must make certain that the correct scorecards are used for each day's firing.
2. DO NOT cross out match numbers and substitute others. NRA championship scorecards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect scorecards used, as the booklet is set up in the order in which the matches are fired.
3. All scorecards used in the matches and all team cards MUST BE labeled with self-adhesive labels (supplied in each competitor's packet). Make certain that you place your current year's labels on your scorecards before you go to the range. Unidentifiable scores will not be used. DO NOT use felt-tip pens to fill out scorecards.
4. All scorecards must be turned in to a line official within 10 minutes of completion of firing a match. Score keepers are reminded to place their label on the back of the score card prior to turning in. Failure to do so may disallow that score for awards.
5. Failure to use the proper scorecard will result in a score of "0".
NOTE: Competitors who appear at the firing line without scorecards will be required to purchase duplicate scorecards at a cost of \$5 per scorecard. It is the competitor's responsibility to have the correct change.
6. When signing scorecards, the competitors must remember they are signing for the value of each shot indicated on the card. Each competitor is responsible for their own scorecard. See Rule 18.14. Competitors are reminded that High Power Rule 14.3.1 requires the Scorer to turn in the scorecard, as outlined above, when it is completed. Competitors should supervise this action.

ELECTRONIC DEVICES

Rule 3.22 states competitors are responsible to ensure all electronic communications and audio devices in their possession forward of the ready line are silenced and communication disabled.

- (a) Radars, chronographs and other devices designed to measure bullet velocity are prohibited on the line.
- (b) Cell phones that have been rendered incapable from communicating (“airplane mode”) are permitted on the line and in the pits.

CHALLENGE AND PROTEST PROCEDURES

1. Competitors and Team Captains wishing to make a challenge or protest are referred to NRA Rule Book, Section 16. Persons other than competitors and Team Captains (in team matches only) are not eligible to make challenges or protests. Also, Team Captains may not enter protests or challenges for an individual competitor in an individual Challenge Period.
2. Scores will be posted at the Awards Office and at the back of the range. All locations will house the same score printouts for competitors’ review and challenge period.
3. Statistical Office Challenges (see Rules 16.1 and 16.4) must be based on the scores posted on the computer printouts at the Awards Office and made prior to the expiration of the challenge period posted for each match and aggregate. A competitor who fails to challenge within this time period forfeits the right to challenge.
4. Any errors must be reported to the Stat Office prior to closing of the match challenge period. Challenge period is 90 minutes or 30 minutes on awards days.
5. There will also be a Challenge Box located at the Stat Office for challenge periods that extend past normal business hours. These challenge cards will be picked up each morning by 9:00 a.m. when a challenge period extends past normal posted business hours.

CHALLENGES

1. Each competitor should check the competitor scores as they are posted on the computer printout at the Awards Office. Unless otherwise noted, scores posted are preliminary and do not necessarily reflect the final standings and/or awards won. If you feel your score, class, or category are not correct, it is your responsibility (team captain for team matches) to report this to the Stat Office prior to the close of the posted challenge period for that match. (See Rule 18.13).
2. Go to the Stat Office Building 209. Explain the discrepancy. The Challenge will be processed and corrections made if warranted.
3. It is the competitor's responsibility to make certain that the scores posted are correct. Failure to check scores within the time limit will result in the penalty of losing the privilege of any further challenge. It is the Statistical Office's responsibility to correct challenged scores prior to the end of the final challenge period. After the final challenge period, the competitor accepts the responsibility for scores posted.

PROCEDURES FOR MAKING RANGE CHALLENGES

If the competitor disagrees with a shot value announced by the Scorer or displayed value of the shot, the competitor may challenge the score. Rule 16.1 must be used.

CHALLENGE PERIOD

1. All scoring challenges must be made on the range. All other challenges must be made before the end of the challenge period. (Rule 16.1)
2. Corrections to Preliminary Bulletins will be made at the Stat Office within the time period noted. (Rule 11.6.3)
3. Scores posted after 6 p.m. will have a challenge period closing at 8 a.m. the following day. All scores for each match will be posted at one time, not by relay.

PISTOL CHALLENGE FEES

Individual Matches (per challenge)	\$5
Team Matches (per challenge)	\$10

HIGH POWER CHALLENGE FEES

Individual Matches (per challenge)	\$3
Team Matches (per challenge)	\$3

NOTE: If the challenge is adjudicated on the firing line during the match and score stands, the challenge fee shall be paid by the competitor to the line officer at the end of that stage of fire. (2013 Amended Rule 16.1(a) Challenges).

PROTESTS

All protests must be in accordance with applicable NRA Rules. If, after following the procedure specified in NRA Rules 16.2 and 16.3 for reasons outlined in Rule 16.2, a competitor feels that he or she should file a written protest, the following must be done:

NOTE: Failure to follow the following procedures will automatically void the protest.

1. If the incident occurred on the range, state the complaint orally to the Chief Range Officer. If not satisfied, the complainant will:
 - State the complaint orally to the Range Referee on the range where the incident occurred.
2. If the incident was a result of posting or ranking, state the complaint orally to the Statistical Director. If not satisfied, the complainant will state the complaint orally to the Chief Referee.
3. In either situation, Range or Statistical, if not satisfied:
 - Within one hour after the completion of firing for the day, the complainant must initiate, sign and submit a completed Official Protest form stating all the facts to the Chief Referee or Statistical Office. The forms are available from the Chief Referee or the Statistical Office. A protest fee of \$20 is required for each protest.
4. The Statistical Director/Chief Referee will contact the Secretary of the National Protest Committee and the Match Director. The Committee Secretary will assemble the Protest Committee.
5. In case of awards, a protest must be filed with the Statistical Office no later than 30 minutes after the completion of the Awards Ceremony.
6. The protesting competitor should be prepared to appear before the Protest Committee, if requested to do so.
7. After the Protest Committee has made its decision, the protest will be returned to the Statistical Office. The competitor may pick up a copy of the protest results in the Statistical Office. If the protest is sustained, the \$20 fee will be returned to the complainant.
8. Should a protest require or involve a re-fire, the referee may collect the \$20 protest fee, and the competitor will be allowed to fire the shots required to complete the match. The shots comprising that score will be recorded on the back of the scorecard for use of the Protest Committee. An Official Protest form must be completed where a re-fire is involved.
9. If the incident to be protested is in the pits, the complainant must orally notify the Pit Referee before leaving the pits, who will then notify the Chief Referee that a protest is pending.

PROTEST COMMITTEE

A decision of the NRA National Championship Protest Committee is final but may not override a prior decision of the NRA National Protest Committee. (See Rule 16.2.1)

COMPETITOR MEETING

Members of the Committees who are present during the matches will meet to discuss NRA competition programs and Rules. All NRA members and competitors are encouraged to attend and contribute to the proceedings.

Times and dates will be posted at the Entry Office or in your packets. The location will be in the all purpose building across from the airfield.

BULLETINS

1. **Master Bulletin Board:** An Official Preliminary Score Bulletin Board will be maintained outside. Match scores will be posted as matches are completed. The time that each preliminary bulletin is posted will be written on the top of the bulletin. Expiration of challenge periods for each match will be posted when all available scores for a match have been posted on the Bulletin Board. Competitors are reminded that it is their responsibility to promptly check the Preliminary Bulletin Board after completion of the day's matches and call attention to errors within the time specified.

NOTE: Failure to check scores within the time limit results in the penalty of losing the privilege of any further challenge. (See Rule 18.13) In team matches, only the Team Captain may report errors.

2. **Awards Bulletin:** Preliminary Awards Bulletins will be posted outside. An Official Copy of the final results will be available online after the conclusion of the matches at <https://competitor.nra.org/ChampionshipResults.aspx>
3. Listings in the Final Results Bulletin will be limited to Award Winners in individual matches and sub-aggregates. Grand Aggregates will be listed with all competitors' scores by Regular Awards categories. Special Awards categories will be listed by Winners only.

REFIRING

Any refiring will be at a time and place specified by the NRA Range Director or designated representative.

AWARDS TROPHIES

1. All trophies awarded in the NRA Championships are the property of the National Rifle Association of America. Unless otherwise noted, the NRA retains possession. Winners are awarded trophy plaques for their permanent possession.
2. The Merchandise Awards, which are presented, are donated and subject to IRS tax requirements.

AWARD PROCEDURES

1. Place Awards: Unless otherwise stated in the match conditions, place awards are offered in all events.
2. Place awards (Winner, 2nd, and 3rd) will take precedence over all other awards. All competitors, individual or team, are eligible for place awards. Place award Winners are eligible for Special Awards in the same event, provided that they have indicated the Special Awards for which they are eligible on their entry card in the appropriate spaces. Except as noted in specific match conditions, individual competitors will be divided into the several classes as specified in the NRA Rule Book appropriate to the phase of competition entered.
3. Class/Category Awards Schedules for individual matches will be based on the actual number of scores fired in each match.
4. Special awards categories are in those matches and aggregates as specified.
5. Competitors are only allowed to choose one age appropriate category that corresponds with their year of birth.
