

**National Rifle Association**  
**NATIONAL INDOOR SECTIONAL TOURNAMENT PROGRAM**  
for  
**OPEN RIFLE**

The NRA Competitive Shooting Division sanctions locally sponsored Indoor Sectional Tournaments around the country each year. Local Sponsors conduct their Tournament during the assigned time frame established by the NRA and follow the applicable NRA Rules and conditions within this Tournament Program. Sectional Tournaments are conducted under the same requirements as Registered Tournaments and as such require turning targets.

Once fired, scores are compiled by the Tournament Statistical Officer and a local Sponsor’s Official Results Bulletin produced. Scores are then sent to the NRA Competitive Shooting Division where all scores from across the country are combined for the NRA National Indoor Sectional Postal Championship. Awards are then issued as outlined in the Awards Schedule.

Six National Open Rifle Indoor Sectional Tournaments are conducted annually and include:

- Conventional Smallbore Rifle 4 Position
- Metric Smallbore Rifle 3 Position
- Precision Air Rifle Standing
- Precision Air Rifle 3 Position
- Sporter Air Rifle 3 Position
- Smallbore Light Rifle Standing

*In order for an Indoor Sectional Tournament Match to be included in the National Indoor Postal Championship, at least five competitors must compete.*
