The long history and tradition of the NRA High Power, Precision Pistol & Smallbore National Matches lives on at Camp Atterbury in Indiana. This year the celebration of a summer long NRA National Match Calendar and events will be supported by our friends from the Indiana State Rifle and Pistol Association (ISRPA). While the NRA and our many volunteers and friends will be conducting the NRA High-Power, Precision Pistol, Smallbore National Championships, the ISRPA will be holding many events for the benefit of the NRA members and patrons.

The links below and event descriptions below will help you determine what events are best for you. We’ve also provided some key information regarding accessing Camp Atterbury, complying with the Indiana National Guard policies, and some additional information to help you better understand how to prepare for the events this summer.

We invite all competitors to come out to Camp Atterbury and take the National Matches challenge, to have fun, meet fellow shooters from all over the country, experience the great Camp Atterbury facilities, and challenge your marksmanship skills alongside some of the world’s best shooters.

So whether you are an experienced alumni shooter, a first time shooter, a High Master or a have yet to receive your initial Classification, start making your plans to come and started by clicking on the information boxes and blue text links below.

**Base Access & In Processing:** Due to construction the Cyclone Street Camp Atterbury Gate is closed so you need to use the Schoolhouse Road Gate entrance.

At entry, EACH PERSON will need to have their driver’s license or official government issued ID, available for inspection. You may also need to comply with Indiana National Guard Camp Atterbury Covid-19 Policies as detailed on their Covid-19 Guidance web page.

**NRA COVID 19 Statement:** While the COVID-19 pandemic continues, competitor and staff safety is our primary concern. The NRA will follow federal, state & local regulations during this summer’s events. It is possible that due to COVID-19 the NRA & ISRPA events may become altered in order to promote better safety or remain compliant. It is possible that any or all of our events may become altered or at worse canceled due to the pandemic impact or significant changes. We do not anticipate canceling this summer’s events. We will continue to monitor the Federal, State & Local regulations and issue and issue further statements as needed.
**Base Policy on Possession of Privately Owned Firearms on Base:** Please make sure you review *Installation Commander's Police Memorandum Police No. 20* at the end of this handout covering private firearms on base and ensure you comply with the directive.

**Main Gate Information:** You can see maps and directions for base entry, maps, and directions at the *Camp Atterbury Welcome Center* web page.
