Preliminary Program
HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

One of the best ways to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments help ensure the continued operation and growth of competitive shooting and national championship events.

An endowment is a permanent fund that produces permanent income. The permanent fund is never touched—only a portion of the fund's earnings are used to fund programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

MONETARY AWARDS
The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRA-sponsored competitions, including all National Championships, the NRA World Shooting Championship and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total

6 2021 NRA National Championship
amount of at least $600 in cash and/or merchandise prizes (excluding plaques and trophies) in all the above events combined in 2020. Because the NRA is unable to determine who might win a total of $600 or more, every competitor is required to complete a Form W-9. An IRS Form 1099-Misc is issued to all competitors whose total winnings are at least $600 in a calendar year. The IRS requirement above applies to competitors of any age. Please feel free to contact NRA Finance at 703-267-1652 if you have any questions in regard to this matter.

FIREARMS AWARDS POLICY
Effective immediately, it is the policy of the National Matches not to award firearms to Junior competitors who are not of legal age to receive the firearm directly from the FFL holder. Firearms will also no longer be awarded to Junior teams where the Team Captain is not of legal age to accept the firearm directly from the FFL holder.

INTERNATIONAL COMPETITORS
Foreign competitors will be exempt from the electronic W-9 collection process. They will be required to complete a Form W-8 upon arrival, and will be taxed 30% of awards to be paid at the event before receiving the awards regardless of amount won. Trophies and plaques are exempt from this tax.

COMPETITOR PACKETS
NOTE: All competitors upon entering the Entry Office will receive a Competitor ID Badge with their initial packet. This Competitor ID Badge will be required on designated days below and all awards Ceremonies.
1. A packet containing the necessary labels, score cards, and other information will be prepared for registered competitors.
2. A yearbook will be included in all NRA packets. Any competitor who is a first time competitor and wishes to have a National Matches brassard should request one when the competitor packet is picked up. Additional brassards may be purchased at $10.00 each.
3. Competitor packets will be available for pickup at the NRA Entry Office, beginning at the time and date stated below. No packets will be distributed before the time and date specified. ### Tournament Conditions

1. All matches fired on the same day regardless of the time are considered to be fired under equal conditions.
2. Not all competitors need to complete a given match before another match is begun.

24 2021 NRA National Championship
RULES
Current NRA Rules will govern the conduct of these Championships except as modified within this program. It is the competitor’s responsibility to be familiar with the appropriate rule books and program. As per Section 11 the Match and Range Directors have complete authority to make any changes as necessary for smooth operation and safety of the matches.

Smallbore: Rule 3.2 Any Rifle will be used. Exception for the Championships: Rule 2.2.1 Senior is amended to Intermediate Senior, ages 55 through 64, and Senior (age 65 and above). Rule 16.1(c) is amended for the Championship to require all Administrative Challenges be made prior to the end of the final challenge of the daily aggregate.

SHOOTING MATS, PADS, ARTIFICIAL SHELTER
Shooting mats are permitted for NRA Smallbore and all High Power Championships. No umbrellas are permitted forward of the Assembly Line. The erection of tents or other semi-permanent shelters at least 15 yds behind the Ready Line are authorized during the Matches. As long as they are staked down they do not interfere with the proceedings of the match.

TARGET CHANGING AND HANDLING
SMALLBORE:
Competitors are responsible for hanging their own targets and backers to the frames on the range and position being fired. Competitors must furnish adequate clips to secure targets to frames.

PISTOL:
Listed targets will be placed in frames and changed by competitors.

HIGH POWER:
1. Competitors are required to operate targets unless otherwise directed by range personnel. Failure to perform pit duties will result in disqualification from that match.
2. Disabled competitors who cannot perform this duty must furnish an adequate substitute. Substitute target pullers must be registered at the Entry Office and approved by the Match Director.
3. Competitors will be required to place appropriate targets in the target carriers when they go to the pits to act as target pullers. The last relay each day will be required to replace targets in the target trailers.
4. No one is allowed in the pits unless that individual is a target puller, or unless written permission of the Match Director has been obtained and the person is registered at the NRA Entry Office.
5. All competitors are required to use the provided transportation to and from the Pit area in order to keep the range cycle moving.

*Preliminary Program*
SCORING
PISTOL:
Each competitor will score the target to the left, except for those firing on the first target on a line, whose scoring duties will be performed by National Match personnel. In Team Matches, each team must supply a scorer for another team. The decision of the Scoring Referee is final.

SMALLBORE:
Targets will be scored by the scoring section in the statistical office.

HIGH POWER:
Competitors will score each other. As the scoring disks are not readily visible to the naked eye under all conditions, competitors must have in their possession a spotting scope or binoculars in order to perform scoring duties. All scorers must comply with NRA Rule 14.3.1 and are subject to disqualification for failure to perform their duties under the Rules.

TIES
Ties will be broken by the rules in Section 15 of the respective rulebook.
High Power Rifle
1. A shoot-off will be conducted to determine the winner of a match where an unbreakable tie exists.
2. In the case of unbreakable tie for 2nd and 3rd place, competitors concerned will both be awarded the higher prize, and be listed in competitor number precedence in the Bulletin.
3. Ties for class/category awards in matches will be broken in accordance with NRA Rules.
4. Ties for the overall winner of High Power Match 400 will be decided by the last match fired.

USE OF SCORING DEVICES
No competitor will use scoring plugs of any kind on a target at any time. The Pit Referee, or designee, will plug shots under contention.
NRA Smallbore: Targets are not scored by competitors.
NRA Pistol Championships only: Competitors may use standard NRA overlays per Rule 14.3.1.
High Power: Only designated officials will use scoring devices on the range.

SCORECARDS FOR PISTOL AND HIGH POWER
1. Scorecards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of scorecards is en-
closed. Each competitor must make certain that the correct scorecards are used for each day’s firing.

2. DO NOT cross out match numbers and substitute others. NRA championship scorecards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect scorecards used, as the booklet is set up in the order in which the matches are fired.

3. All scorecards used in the matches and all team cards MUST BE labeled with self-adhesive labels (supplied in each competitor’s packet). Make certain that you place your current year’s labels on your scorecards before you go to the range. Unidentifiable scores will not be used. DO NOT use felt-tip pens to fill out scorecards.

4. All scorecards must be turned in to a line official within 10 minutes of completion of firing a match. Score keepers are reminded to place their label on the back of the score card prior to turning in. Failure to do so may disallow that score for awards.

5. Failure to use the proper scorecard will result in a score of “0”.
   NOTE: Competitors who appear at the firing line without scorecards will be required to purchase duplicate scorecards at a cost of $5 per scorecard. It is the competitor’s responsibility to have the correct change.

6. When signing scorecards, the competitors must remember they are signing for the value of each shot indicated on the card. Each competitor is responsible for their own scorecard. See Rule 18.14. Competitors are reminded that High Power Rule 14.3.1 requires the Scorer to sign in the scorecard, as outlined above, when it is completed. Competitors should supervise this action.

ELECTRONIC DEVICES
High Power Rule 3.22 states competitors are responsible to ensure all electronic communications and audio devices in their possession forward of the ready line are silenced and communication disabled.

1. Radars, chronographs and other devices designed to measure bullet velocity are prohibited on the line.

2. Cell phones that have been rendered incapable from communicating (“airplane mode”) are permitted on the line and in the pits.

*Note: Paragraph 2 above shall apply to pistol and smallbore forward of the ready line.

CHALLENGE AND PROTEST PROCEDURES
1. Competitors and Team Captains wishing to make a challenge or protest are referred to NRA Rule Book, Section 16. Persons other than competitors and Team Captains (in team matches only) are not eligible to make challenges or protests. Also, Team Captains may not enter protests or challenges for an individual competitor in an individual Challenge Period.

2. Scores will be posted at the Awards Office Bldg 215 and at the
back of the range. All locations will house the same score printouts for competitors’ review and challenge period.

3. Statistical Office Challenges (see Rules 16.1 and 16.4) must be based on the scores posted on the computer printouts at the Awards Office and made prior to the expiration of the challenge period posted for each match and aggregate. A competitor who fails to challenge within this time period forfeits the right to challenge.

4. Any errors must be reported to the Stat Office Bldg 209 prior to closing of the match challenge period. Challenge period is 90 minutes or 30 minutes on awards days.

5. There will also be a Challenge Box located at the Stat Office Bldg 209 for challenge periods that extend past normal business hours. These challenge cards will be picked up each morning by 9:00 a.m. when a challenge period extends past normal posted business hours.

*Note: See Smallbore Section for challenge rules. Targets will be challenged in the area where the targets are hung for examination after scoring.

**CHALLENGES**

1. Competitors should check their scores as they are posted on the computer printout at the Awards Office. Unless otherwise noted, scores posted are preliminary and do not necessarily reflect the final standings and/or awards won. If you feel your score, class, or category are not correct, it is your responsibility (team captain for team matches) to report this to the Stat Office Bldg 109 prior to the close of the named challenge period for that match. (See Rule 18.13).

2. Go to the Stat Office Bldg 209. Explain the discrepancy. The Challenge will be processed and corrections made if warranted.

3. It is the competitor’s responsibility to make certain that the scores posted are correct. Failure to check scores within the time limit will result in the penalty of losing the privilege of any further challenge. It is the Statistical Office’s responsibility to correct challenged scores prior to the end of the final challenge period. After the final challenge period, the competitor accepts the responsibility for scores posted.

**PROCEDURES FOR MAKING RANGE CHALLENGES**

If the competitor disagrees with a shot value announced by the Scorer or displayed value of the shot, the competitor may challenge the score. Rule 16.1 must be used.

**CHALLENGE PERIOD**

1. All scoring challenges must be made on the range. (High Power
and Pistol. All other challenges must be made before the end of
the challenge period. (Rule 16.1) Scoring challenges for small-
bore will be made to the challenge referee in the target viewing
area.

2. Corrections to Preliminary Bulletins will be made at the Stat Of-
   fice Bidg 209 within the time period noted. (Rule 11.6.3)

3. Scores posted after 6 p.m. will have a challenge period closing at
   8 a.m. the following day. All scores for each match will be
   posted at one time, not by relay.

**SMALLBORE CHALLENGE FEES**
Individual Matches (per challenge) $3 Team Matches (per challenge) $3.

**PISTOL CHALLENGE FEES**
Individual Matches (per challenge) $5 Team Matches (per chal-
lenge) $10.

**HIGH POWER CHALLENGE FEES**
Individual Matches (per challenge) $3. Team Matches (per chal-
lenge) $3

match and score stands, the challenge fee shall be paid by the com-
petitor to the line officer at the end of that stage of fire. (2013
Amended Rule 16.1(a) Challenges)*

**PROTESTS**
All protests must be in accordance with applicable NRA Rules. If,
after following the procedure specified in NRA Rules 16.2 and 16.3
for reasons specified in Rule 16.2, a competitor feels that he or she
should file a written protest, the following must be done:

*NOTE: Failure to follow the following procedures will automatically
void the protest.*

**PROTEST COMMITTEE**
A decision of the NRA National Championship Protest Committee is
final but may not override a prior decision of the NRA National Pro-
test Committee. (See Rule 16.2.1)

**COMPETITOR MEETINGS**
Members of the Committees who are present during the matches
will meet to discuss NRA competition programs and Rules. All NRA
members and competitors are encouraged to attend and contribute to
the proceedings. Times and dates will be posted at the Entry Office
or in your packets. The location will be in the all purpose building
across from the airfield.
BULLETINS

1. Master Bulletin Board: An Official Preliminary Score Bulletin Board will be maintained outside. Match scores will be posted as matches are completed. The time that each preliminary bulletin is posted will be written on the top of the bulletin. Expiration of challenge periods for each match will be posted when all available scores for a match have been posted on the Bulletin Board. Competitors are reminded that it is their responsibility to promptly check the Preliminary Bulletin Board after completion of the day’s matches and call attention to errors within the time specified.

*NOTE: Failure to check scores within the time limit results in the penalty of losing the privilege of any further challenge. (See Rule 18.13) In team matches, only the Team Captain may report errors.

2. Awards Bulletin: Preliminary Awards Bulletins will be posted outside. An Official Copy of the final results will be available online after the conclusion of the matches at https://competitor.nra.org/ChampionshipResults.aspx

REFIRING

Any refiring will be at a time and place specified by the NRA Range Director or designated representative.

AWARDS TROPHIES

1. All trophies awarded in the NRA Championships are the property of the National Rifle Association of America. Unless otherwise noted, the NRA retains possession. Winners are awarded trophy plaques for their permanent possession.

2. The Merchanide Awards, which are presented, are donated and subject to IRS tax requirements.

AWARD PROCEDURES

1. Place Awards: Unless otherwise stated in the match conditions, place awards are offered in all events.

2. Place awards (Winner, 2nd, and 3rd) will take precedence over all other awards. All competitors, individual or team, are eligible for place awards. Place award Winners are eligible for Special Awards in the same event, provided that they have indicated the Special Awards for which they are eligible on their entry card in the appropriate spaces. Except as noted in specific match conditions, individual competitors will be divided into the several classes as specified in the NRA Rule Book appropriate to the

34 ■ 2021 NRA National Championship
phase of competition entered.

4. Special awards categories are in those matches and aggregates as specified.

5. Competitors are allowed to choose only one age appropriate category that corresponds with their year of birth.
NATIONAL CHAMPIONSHIPS SCHEDULES
