# HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR

## GENERATIONS

**One of the best ways** to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Champion-

ships Endowments as an important priority. These endowments help ensure the continued operation and growth

of competitive shooting and national championship

events.

An endowment is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess af funds used for program purposes are reinvested to ensure the fund's growth, hus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

Both the NRA and the NRA Foundation have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

#### **MONETARY AWARDS**

The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRAsponsored competitions, including but not limited to the National Matches, the Smallbore Metric Championship, the Conventional Smallbore Rifle Championship, NRA World Shooting Championship and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in cash and/or merchandise prizes (excluding plagues and trophies) in all the above events combined in 2022. Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. An IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600 in a calendar year. The IRS requirement above applies to competitors of any age. Please feel free to contact NRA Finance at 703-267-1652 if you have any guestions in regard to this matter.

#### FOREIGN COMPETITORS

Foreign competitors will be exempt from the electronic W-9 collection process. They will be required to complete a Form W-8 upon arrival, and will be taxed 30% of awards to be paid at the event before receiving the awards regardless of amount won. Trophies and plaques are exempt from this tax.

## SCORECARDS FOR PISTOL AND HIGH POWER

- Scorecards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of scorecards is enclosed. Each competitor must make certain that the correct scorecards are used for each day's firing.
- DO NOT cross out match numbers and substitute others. NRA championship scorecards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect scorecards used, as the booklet is set up in the order in which the matches are fired.
- All scorecards used in the matches and all team cards MUST BE labeled with self-adhesive labels (supplied in each competitor's packet). Make certain that you place your current year's labels on your scorecards before you go to the range. Unidentifiable scores will not be used. DO NOT use felt-tip pens to fill out scorecards.
- All scorecards must be turned in to a line official within 10 minutes of completion of firing a match. Score keepers are reminded to place their label on the back of the score card prior to turning in. Failure to do so may disallow that score for awards.
- Failure to use the proper scorecard will result in a score of

"0".

**NOTE:** Competitors who appear at the firing line without scorecards will be required to purchase duplicate scorecards at a cost of \$5 per scorecard. It is the competitor's responsibility to have the correct change.

6. When signing scorecards, the competitors must remember they are signing for the value of each shot indicated on the card. Each competitor is responsible for their own scorecard. See Rule 18.14. Competitors are reminded that High Power Rule 14.3.1 requires the Scorer to turn in the scorecard, as outlined above, when it is completed. Competitors should supervise this action.

## **ELECTRONIC DEVICES**

Rule 3.22 states competitors are responsible to ensure all electronic communications and audio devices in their possession forward of the ready line are silenced and communication disabled.

- Radars, chronographs and other devices designed to measure bullet velocity are prohibited on the line.
- (b) Cell phones that have been rendered incapable from communicating ("airplane mode") are permitted on the line and in the pits.

## **CHALLENGE AND PROTEST PROCEDURES**

- Competitors and Team Captains wishing to make a challenge or protest are referred to NRA Rule Book, Section 16. Persons other than competitors and Team Captains (in team matches only) are not eligible to make challenges or protests. Also, Team Captains may not enter protests or challenges for an individual competitor in an individual Challenge Period.
- Scores will be posted at the Awards Office and at the back of the range. All locations will house the same score printouts for competitors' review and challenge period.
- Statistical Office Challenges (see Rules 16.1 and 16.4) must be based on the scores posted on the computer printouts at the Awards Office and made prior to the expiration of the challenge period posted for each match and aggregate. A competitor who fails to challenge within this time period forfeits the right to challenge.
- Any errors must be reported to the Stat Office prior to closing of the match challenge period. Challenge period is 90 minutes or 30 minutes on awards days.
- There will also be a Challenge Box located at the Stat Office for challenge periods that extend past normal business hours. These challenge cards will be picked up each morning by 9:00 a.m. when a challenge period extends past normal posted business hours.

## **CHALLENGES**

- Each competitor should check the competitor scores as they are posted on the computer printout at the Awards Office. Unless otherwise noted, scores posted are preliminary and do not necessarily reflect the final standings and/or awards won. If you feel your score, class, or category are not correct, it is your responsibility (team captain for team matches) to report this to the Stat Office prior to the close of the posted challenge period for that match. (See Rule 18.13).
- 2. Go to the Stat Office Building 209. Explain the discrepancy. The Challenge will be processed and corrections made if warranted.
- 3. It is the competitor's responsibility to make certain that the scores posted are correct. Failure to check scores within the time limit will result in the penalty of losing the privilege of any further challenge. It is the Statistical Office's responsibility to correct challenged scores prior to the end of the final challenge period. After the final challenge period, the competitor accepts the responsibility for scores posted.

## PROCEDURES FOR MAKING RANGE **CHALLENGES**

If the competitor disagrees with a shot value announced by the Scorer or displayed value of the shot, the competitor may challenge the score. Rule 16.1 must be used.

## CHALLENGE PERIOD

- All scoring challenges must be made on the range. All other challenges must be made before the end of the challenge period. (Rule 16.1)
- Corrections to Preliminary Bulletins will be made at the Stat Office within the time period noted. (Rule 11.6.3)
- 3. Scores posted after 6 p.m. will have a challenge period closing at 8 a.m. the following day. All scores for each match will be posted at one time, not by relay.
