# HELP MAKE COMPETITIVE SHOOTING SPORTS LAST FOR GENERATIONS

**One of the best ways** to permanently secure the future of competitive shooting is to give gifts to help permanently endow it. This is why John Sigler, 2007-2008 NRA President, established both the NRA and the NRA Foundation Competitive Shooting & National Championships Endowments as an important priority. These endowments

help ensure the continued operation and growth of competitive shooting and national championship events.

**An endowment** is a permanent fund that produces investment income. The permanent fund is never touched – only a portion of the fund's earnings are used for qualified programs. Earnings in excess of funds used for program purposes are reinvested to ensure the fund's growth, thus providing a source of annual income in perpetuity. In the case of the Competitive Shooting & National Championship Endowments, the collective gifts will work together to sustain and grow competitive shooting programs.

**Both the NRA and the NRA Foundation** have established a Competitive Shooting & National Championships Endowment, and a gift can be made to either, depending on your tax needs. Gifts to the NRA Foundation are deductible for tax purposes, while gifts made to the NRA are not tax deductible. Your gift to either Competitive Shooting & National Championships Endowment will benefit eligible NRA-supported Competitive Shooting programs, including: competitions, junior programs, volunteer activities, postal matches, and disabled shooting services.

## **MATCH DIRECTOR'S BULLETIN**

### **WELCOME TO THE 2023 NATIONAL MATCHES!**

There are a few changes in base security. The Department of Defense updated security procedures to those of an active military base. Everyone arriving on the base will have to be vetted. This process takes less than 5 minutes and is done Monday to Friday. Here is the procedure:

- Monday thru Thursday, 9:00am to 12:00pm, vetting is done at the Welcome Center, see map. This is the first building on the right, as you come down the hill, just before the main gate. The traffic light is too far..
- Monday thru Thursday, 12:00pm to 10:00pm, and Friday, 9:00am to 10:00pm, vetting is done at the front gate.
- If you arrive any other time, request a Visitor Pass at the gate. You will need to return the visitor pass to either the Welcome Center, 9a-12p, or the Main Gate, 12p-10p, and be vetted.

A reminder to competitors staying on base. Lodging is open from 2:00pm to 4:00pm for check-in. If you arrive outside those times, ask for your room key from the Security Guard on the front gate.

The National Match Headquarters is in FOB-2. All match related activities will be conducted in this building. There is a map in the front of the Match Program.

The opening Ceremony is July 8, 2023 at 10:30am on Range 6. There will be distinguished speakers and a cook out. Our sponsor, FOSTEC, will have a display of weapons to test fire.

### OFFICIAL TIME

Eastern Daylight Savings Time. The Range Director will keep the Official Match Time.

### IMPORTANT NOTICE

All competitors are responsible to be knowledgeable of all rules, regulations and contents of this program (NRA Rule 18.15). Everyone involved in these National Matches must understand that in accordance with NRA Rule 11.1 and 11.4,

the NRA Match and Range Directors have complete authority to make any last minute changes they deem necessary in order to ensure that the competitions are run smoothly and safely. This may include changes in relay and squadding schedules and cancellations of firing altogether. Any such changes will be relayed to the competitors via announcements and/or Match Director Bulletins.

### CAMP ATTERBURY

Competitors shall be prepared to present photo identification each and every time entering the base. Failure to do so will prohibit entry onto Camp Atterbury.

Each Range has a flag pole with a large red flag indicating the range is in use. Competitors shall wait in their vehicles until the red flag is raised. When firing is complete, and the red flag taken down, competitors shall vacate the range.

If a road is blocked by any means – gate or temporary barricade – do not drive around the barricade.

The area behind the 600 yard berm on Range 6 and behind the 100 yard line on range 19 & 20 is designated as a common impact area for all ranges. Competitors shall not enter this area.

The Main Gate is open. As of the writing of this Match Program, a state issued identification, current passport or military identification is required for admittance to Camp Atterbury. These procedures are evolving and being updated.

### ON-SITE VENDORS

#### RESULTS BULLETIN

Preliminary Results Bulletins will be posted outside the Statistics Office. Preliminary results are continually updated at <https://competitor.nra.org/ChampionshipResults.aspx>. After the challenge period, final results will be posted here.

#### AWARDS OFFICE LOCATION

The NRA Awards Office is located in FOB 2.

W9 information will be electronically collected and automatically verified during the registration process through a secure verification website. Registration cannot be finalized without filling out the requested information and verification being completed, or selecting the opt-out option.

If a competitor opts-out of W9 verification, they will be forfeiting any potential monetary awards for the Championship. The W9 opt-out selection is irreversible if not completed by the close of Registration.

#### MONETARY AWARDS

The National Rifle Association continually strives to achieve full compliance with all tax laws and regulations. In this regard, the Financial Services Division conducts an ongoing review of all NRA-sponsored competitions, including

but not limited to the National Matches, the Smallbore Metric Championship, the Conventional Smallbore Rifle Championship, NRA World Shooting Championship and Silhouette Championships, where a tax event might occur. A tax event occurs when a competitor wins a total amount of at least \$600 in cash and/or merchandise prizes (excluding plaques and trophies) in all events combined in a calendar year. Because the NRA is unable to determine who might win a total of \$600 or more, every competitor is required to complete a form W-9. An IRS Form 1099-Misc is issued to all competitors whose total winnings are at least \$600 in a calendar year. The IRS requirement above applies to competitors of any age. Please feel free to contact NRA Finance at 703-267-1652 if you have any questions in regard to this matter.

### FIREARMS AWARDS POLICY

Effective immediately, it is the policy of the National Matches not to award firearms to junior competitors that are not of legal age to receive the firearm directly from the FFL holder. Firearms will also no longer be awarded to junior teams where the Team Captain is not of legal age to accept the firearm directly from the FFL holder.

### FOREIGN COMPETITORS

Foreign competitors will be exempt from the electronic W-9 collection process. They will be required to complete a Form W-8 upon arrival, and will be taxed 30% of awards to be paid at the event before receiving the awards regardless of amount won. Trophies and plaques are exempt from this tax.

### COMPETITOR PACKETS

- All competitors who register thru the Portal will receive a packet. Coaches and Captains should register thru the Portal to obtain labels. Please note, registering on site may take an hour or more, please plan accordingly.
- The packet contains all materials needed to participate in the National Championships. Materials include labels, score cards, pin, year tab, swag and a competitor ID badge.
- Any competitor who is a first time competitor and wishes to have a National Matches Brassard should request one when picking up their packet.
- The label on the packet indicates all entry information – class, category, address. Please double check this info and indicate any needed updates.
- The name badge will be required at all award ceremonies and prize tables. The name badge, with a photo ID may be required to prove participation in the National Matches at the Base Gate.
- Packet pick up dates are:
 

High Power Across the Course	8am	July 8
High Power MidRange	8am	July 16
High Power Long Range	8am	July 23

Precision Pistol	8am	July 18
Smallbore 3 Position	8am	July 25
Smallbore Prone & F-Class	8am	July 30
Smallbore Metric & F-Class	8am	August 5

- Packets may not be picked up early.
- Packets must be picked up by the named competitor.
- A competitor registered in more than one Championship will receive more than one packet. For example, a competitor registered in High Power Across the Course and Smallbore Prone will need to pick up a packet for the High Power Championship and a packet for the Smallbore Championship.

### ADULT SPONSORS, JUNIOR ENTRIES

However, entry fees for canceled team matches will be refunded to Team Captains only, by mail, after the National Matches are completed. The team score card for the cancelled team match must be returned to the Stat Office before a refund can be made. In the event that a match is canceled, the Match Director may reschedule that match. It is the competitor's responsibility to bring ample ammunition should this happen.

## AUTHORIZED ASSISTANCE

Individuals who have a physical disability, which precludes them from conforming to the time schedule for changing targets, may have someone assist them in moving equipment to and from the firing line. In Team Matches, Captains and/or Coaches are permitted to assist in changing targets and moving equipment to and from the firing line. In NRA Championships, no one other than a competitor, someone assisting a physically disabled competitor, or a Team Captain or a Coach in team matches, may go forward of the ready line during Team Matches.

Golf Cart operators must obey all traffic laws and signs.

Golf carts may be driven anywhere on Base, including Lodging. At Lodging, do not park on the grass. All golf carts should be chained and locked at night.

## Tournament Conditions All Championships

1. All matches fired on the same day regardless of the time are considered to be fired under equal conditions.
2. Not all competitors need to complete a given match before another match is begun.

### RULES

Current NRA Rules will govern the conduct of these Championships except as modified within this program. It is the competitor's responsibility to be familiar with the appropriate rule books and program. As per section 11 the Match and Range Directors have complete authority to make any changes as necessary for smooth operation and safety of the matches.

**Smallbore:** Rule 3.2 Any Rifle will be used. Exception for the Championships: Rule 2.2.1 Senior is amended to Intermediate Senior, ages 55 through 64, and Senior (age 65 and above). Rule 16.1(c) is amended for the Championship to require all Administrative Challenges be made prior to the end of the final challenge of the first aggregate.

### SHOOTING MATS, PADS, ARTIFICIAL SHELTER

Shooting mats are permitted for NRA Smallbore and High Power Championships.

No umbrellas are permitted forward of the Assembly Line. The erection of tents or other semi-permanent shelters at least 15 yds behind the Assembly Line are authorized during the Matches, as long as they are staked down and do not interfere with the proceedings of the match.

### TARGET CHANGING AND HANDLING

#### HIGH POWER:

1. Silver Mountain Electronic Scoring System will be used.
2. Competitors are not permitted to go to the pits.

#### PISTOL:

Listed targets will be placed in frames and changed by competitors.

#### SMALLBORE:

1. Competitors are responsible for hanging their own targets and backers to the frames for the range and position being fired. Competitors must furnish adequate clips to secure targets to frames.
2. Competitors are responsible to write the Match Number, Relay Number, Target Number and Stage Number on their target and backer. Please write legibly and clearly. Indecipherable or incorrect info could invalidate the target. Correcting this info is considered a challenge, subject to challenge fees.
3. Targets will be hung, available for viewing during the Challenge Period only.

### SCORING

#### PISTOL:

Each competitor will score the target to the left, except for those firing on the first target on a line, whose scoring duties will be performed by National Match personnel. In Team Matches, each team must supply a scorer for another team. The decision of the Scoring Referee is final.

#### SMALLBORE:

Targets will be scored by the scoring section in the statistical office.

#### HIGH POWER:

Competitors will score each other. An electronic device, capable of 4-5 hours of operation and connecting to a web address, is required.

### TIES

1. A shoot-off will be conducted to determine the winner of a match where an unbreakable tie exists.
2. In the case of unbreakable ties for 2nd and 3rd place, competitors concerned will both be awarded the higher prize, and be listed in competitor number sequence in the Bulletin.
3. Ties for class/category awards in matches will be broken in accordance with NRA Rules.
4. Ties for the Overall winner of High Power Match 400 will be decided by the last match fired.

### USE OF SCORING DEVICES

No competitor will use scoring plugs of any kind on a target at any time. The Pit Referee, or designee, will plug shots under contention.

**NRA Pistol Championships only:** Competitors may use standard NRA overlays per Rule 14.3.1.

**Smallbore:** Only designated officials will use scoring devices.

### SCORECARDS FOR PISTOL AND HIGH POWER

1. Scorecards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of scorecards is enclosed. Each competitor must make certain that the correct scorecards are used for each day's firing.
2. DO NOT cross out match numbers and substitute others. NRA championship scorecards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect scorecards used, as the booklet is set up in the order in which the matches are fired.
3. All scorecards used in the matches and all team cards MUST BE labeled with self-adhesive labels (supplied in each competitor's packet). Make certain that you place your current year's labels on your scorecards before you go to the range. Unidentifiable scores will not be used. DO NOT use felt-tip pens to fill out scorecards.
4. All scorecards must be turned in to a line official within 10 minutes of completion of firing a match. Score keepers

are reminded to place their label on the back of the score card prior to turning in. Failure to do so may disallow that score for awards.

5. Failure to use the proper scorecard will result in a score of "0".

**NOTE:** Competitors who appear at the firing line without scorecards will be required to purchase duplicate scorecards at a cost of \$5 per scorecard. It is the competitor's responsibility to have the correct change.

6. When signing scorecards, the competitors must remember they are signing for the value of each shot indicated on the card. Each competitor is responsible for their own scorecard. See Rule 18.14. Competitors are reminded that High Power Rule 14.3.1 requires the Scorer to turn in the scorecard, as outlined above, when it is completed. Competitors should supervise this action.
7. When scoring, place a competitor label on the back of the score card.
