

MARIANNE JENSEN DRIVER MEMORIAL TROPHY

The Marianne Jensen Driver Memorial Trophy was donated to the NRA by her daughters, Lenore Lemanski and Bobbi Vitito. This trophy is in recognition of their mother's many accomplishments in Smallbore Rifle shooting. Besides firing in the National Matches, she participated on the Randle International Smallbore Prone Team as firing member, team captain, team coach and other positions over a 40 year span. Mrs. Driver supported NRA Women's Issues, annual meetings, and was a coach, mentor and an inspiration to many shooters. At the age of 80, she fired in her last National Smallbore Prone Match, firing a clean target of 200 x 200.

She was inducted into the Allen Park Sports Hall of Fame and in 1999 She was presented with the NRA Sybil Ludington Freedom Award.

This trophy incorporates a brass relief plaque from the 1930's, with the image of a smallbore prone shooter, along with various exotic woods. The trophy and base are made by combining Black Walnut, Mahogany, Western Big Leaf Maple, Rosewood and Wenge-along with engraving plates.
