

# JUSTIN HURST MEMORIAL TROPHY

In January of 2008, the NRA Board of Directors approved a recommendation by NRA President John Sigler and the members of the NRA Law Enforcement Assistance Committee to create a perpetual memorial trophy for use at the National Police Shooting Championships to honor Texas conservation Officer Justin Hurst who lost his life in the line of duty on March 17, 2007.

The Texas State Rifle Association funded the creation of the trophy, a large bronze eagle mounted on a dark Mahogany base. A framed photograph of the Hurst Trophy with engraved plaque is awarded to the High Scoring Conservation Officer during the NRA National Police Shooting Championships.
