

2023 High Power Rifle Rule Changes

DELETE – RULE 10.17.2(c)

DELETE – RULE 10.17.1(h)

AMENDED - Rule 14.10(c)(3)

If the competitor fired the required number of shots in the required time and eleven (11) or twelve (12) hits are found on the target, all hits will be spotted on the target and the value of all hits will be indicated on the scoreboard. The score keeper will record the value of the ten (10) hits of the highest value. The competitor will not have the option to refire (see rules 9.25 & 14.3.1).

AMENDED - Rule 14.10(c)(4)

If the competitor fired the required number of shots in the required time and more than twelve (12) hits are found on the target, the competitor may either accept the value of the ten (10) hits of the lowest value or refire the string. If the score is accepted, all hits will be spotted on the target and the value of all hits will be indicated on the scoreboard and the scorekeeper will record the value of the lowest ten (10) hits. (see rules 9.25 & 14.3.1)
