

GENERAL TWINING TROPHY

Match #100
TRO-018

The General Twining Trophy is a silver loving cup with a black base, donated to the NRA in 1955 by the US Air Force, in honor of General Nathan F. Twining.

The trophy was originally designated as the award for the High Air Force Officer or Enlisted man in the individual Pistol Championship Aggregate match at the NRA National Matches. In 1971, it was re-designated as a pistol team aggregate award and currently, as of 1995, the trophy is awarded annually to the high scoring active duty Air Force competitor in the NRA National Pistol Championships.

Match Conditions:

1968 - Withdrawn from competition.

1971 - The NRA Pistol Team Aggregate – Combined eight firing members over the National Match Course with .22 caliber, center fire and .45 caliber pistol or revolver (4-man teams).

1995 - High scoring active duty air force competitor in the NRA National Pistol Championships.
